Safety and Care Advice

Important – Please read these instructions fully before use

Check you have all the components and tools listed on pages 3 and 4.

Remove all fittings from the plastic bags and separate them into their groups.

Small parts could choke if swallowed, keep children and animals away from work area.

Make sure you have enough space to layout the parts before starting.

Assemble the item as close to its final position (in the same room) as possible.

Assemble on a soft level surface to avoid damaging the unit or your floor.

Assembly requires 2 people.

Do not fully tighten bolts until the whole bed is assembled. Do not overtighten the nuts to avoid causing damage to the threads.

We do not recommend the use of power drill/drivers **for inserting screws**, as this could damage the unit. Only use hand screwdrivers and Allen keys.

Dispose of all packaging carefully and responsibly.

Place product on an even surface prior to using.

Suitable for Domestic Garden use only.

Children should not be left alone with product.

Please refrain from climbing onto the product.

Frequently check any damage to the product including the underside and tighten fixings where is required.

Cleaning Guidance

Daily cleaning:
Wipe clean with a damp cloth.
Use only clean water.
Wipe dry with a clean soft cloth.
Do not use detergents, solvents or other chemicals on oiled surfaces, as this may cause discoloration.
Color stains from eg. red wine or the like must be wiped off immediately.

For cushion covers, use sponge clean only.

We recommend the use of furniture covers when not in use.

In order to prolong the life of your product, we recommend it be stored in a dry and protected area during of season periods.

Do not use any abrasive substance which may scratch the surface.

Care and maintenance

From time to time check that there are no loose screws on this unit.

This product should not be discarded with household waste. Take to your local authority waste disposal centre.

Do not stand on seating. Do not sit on arm or backrest ledges. Give your hardwood furniture a yearly scrub with soapy water, followed by a thorough rinse. This removes algae and pollution to restore the timber's surface, keeping it in good condition.
