

Dryzone® 100 Mould Sanitiser

Product Description

Dryzone® 100 Mould Sanitiser is a biocidal cleaner designed to remove mould from bathroom and kitchen surfaces with long-lasting effect. It can also be used on painted surfaces such as walls. Applying the cleaner prior to washing the surface will ease the removal of dirt from the surface.

Benefits

- Kills mould
- Kills 99.9% of viruses and bacteria
- Contains a powerful fungicide
- Long-lasting
- Biodegradable formulation

Properties

Appearance	Clear liquid
Recipe Type	Low-viscosity; water based
Density	1.0 g/cm ³
Size(s) & Packaging	500 ml spray bottles
Coverage	1 litre will cover approximately 5 m ² ^[1]
Storage	Store above 5 °C in dry conditions in the original container.
Shelf Life	12 months
Active Ingredient(s)	Alkyl (C12 – 16) dimethylbenzyl ammonium chloride (0.98 % w/w), surfactants
Effective Against	Mould
HSE Number	10511
Re-entry Time	When surfaces are dry

Application Information

Prior to application, surfaces should be brushed to remove any loose material.

Dryzone® 100 Mould Sanitiser can be applied by spray. Apply 1 litre of product per 5 m² of surface ^[1].

Care should be taken to ensure that **Dryzone® 100 Mould Sanitiser** does not splash onto household plants.

Leave **Dryzone® 100 Mould Sanitiser** for 1 hour prior to washing off. A clean finish can be achieved by using a damp sponge or cloth.

Apply every 6 months or when mould reappears.

Other Information

This material and its container must be disposed of in a safe way. Do not empty into drains. Do not contaminate ground, waterbodies or watercourses with chemicals or used container. Once the container is empty, rinse out onto the treated surface prior to disposal. The empty container is suitable for recycling.

Store in a safe place. Keep away from food, drink and animal feedstuffs. Keep out of reach of children and animals.

Unprotected persons and animals should be kept away from treated surfaces until dry. For full health and safety information consult Safety datasheet (available on request). Always read the label.

^[1] The coverage will vary depending upon the overall porosity of the substrate to be treated.

Dryzone® 100 Mould Sanitiser is produced in accordance with ISO 9001 and ISO 14001 quality and environmental management systems. This product is approved under the Control of Pesticides Regulations (1986) for use as directed. HSE 10511. Use pesticides safely.
