Solid surface worktops

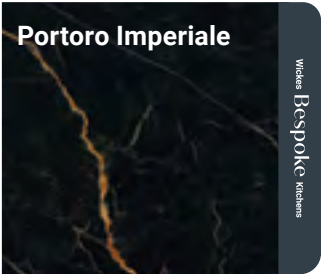

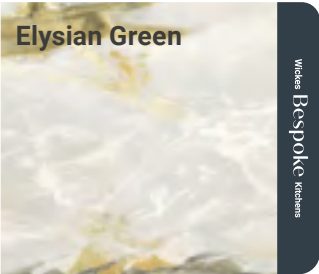

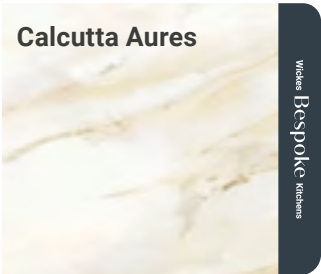

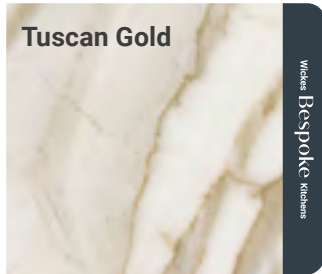

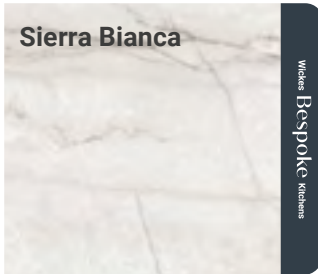

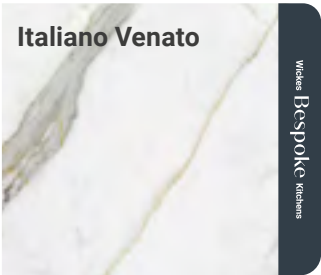

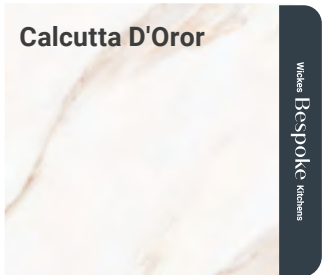

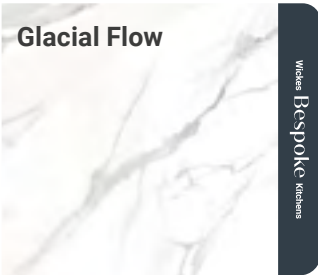

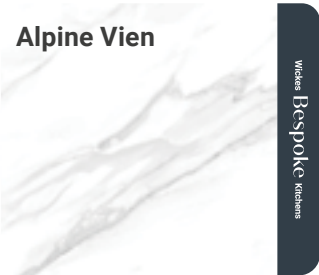

We have a worktop to suit every budget with a wide range of finishes to fit with any colour scheme. You'll be spoilt for choice.

Dekton available in 20mm

Dekton ultra compact worktops are resistant to heat, scratches and stains as well as being easy to clean. With a variety of striking decors that imitate natural minerals, Dekton worktops are a popular choice for any kitchen.

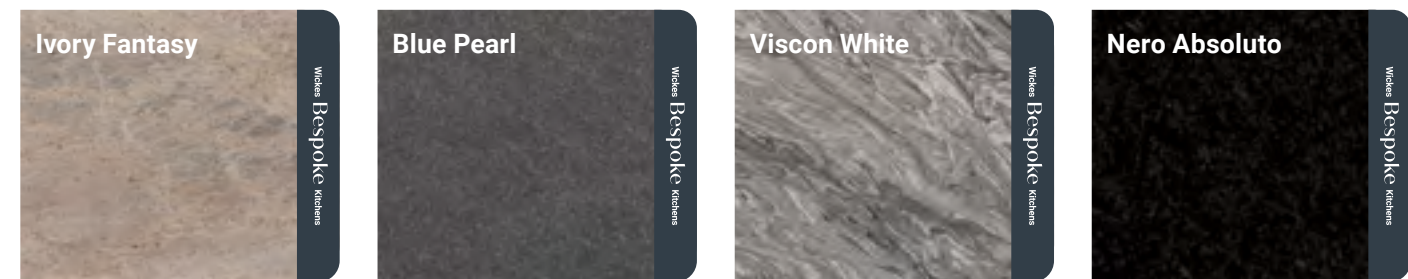

Ceramic® available in 20mm

Solid surface worktops

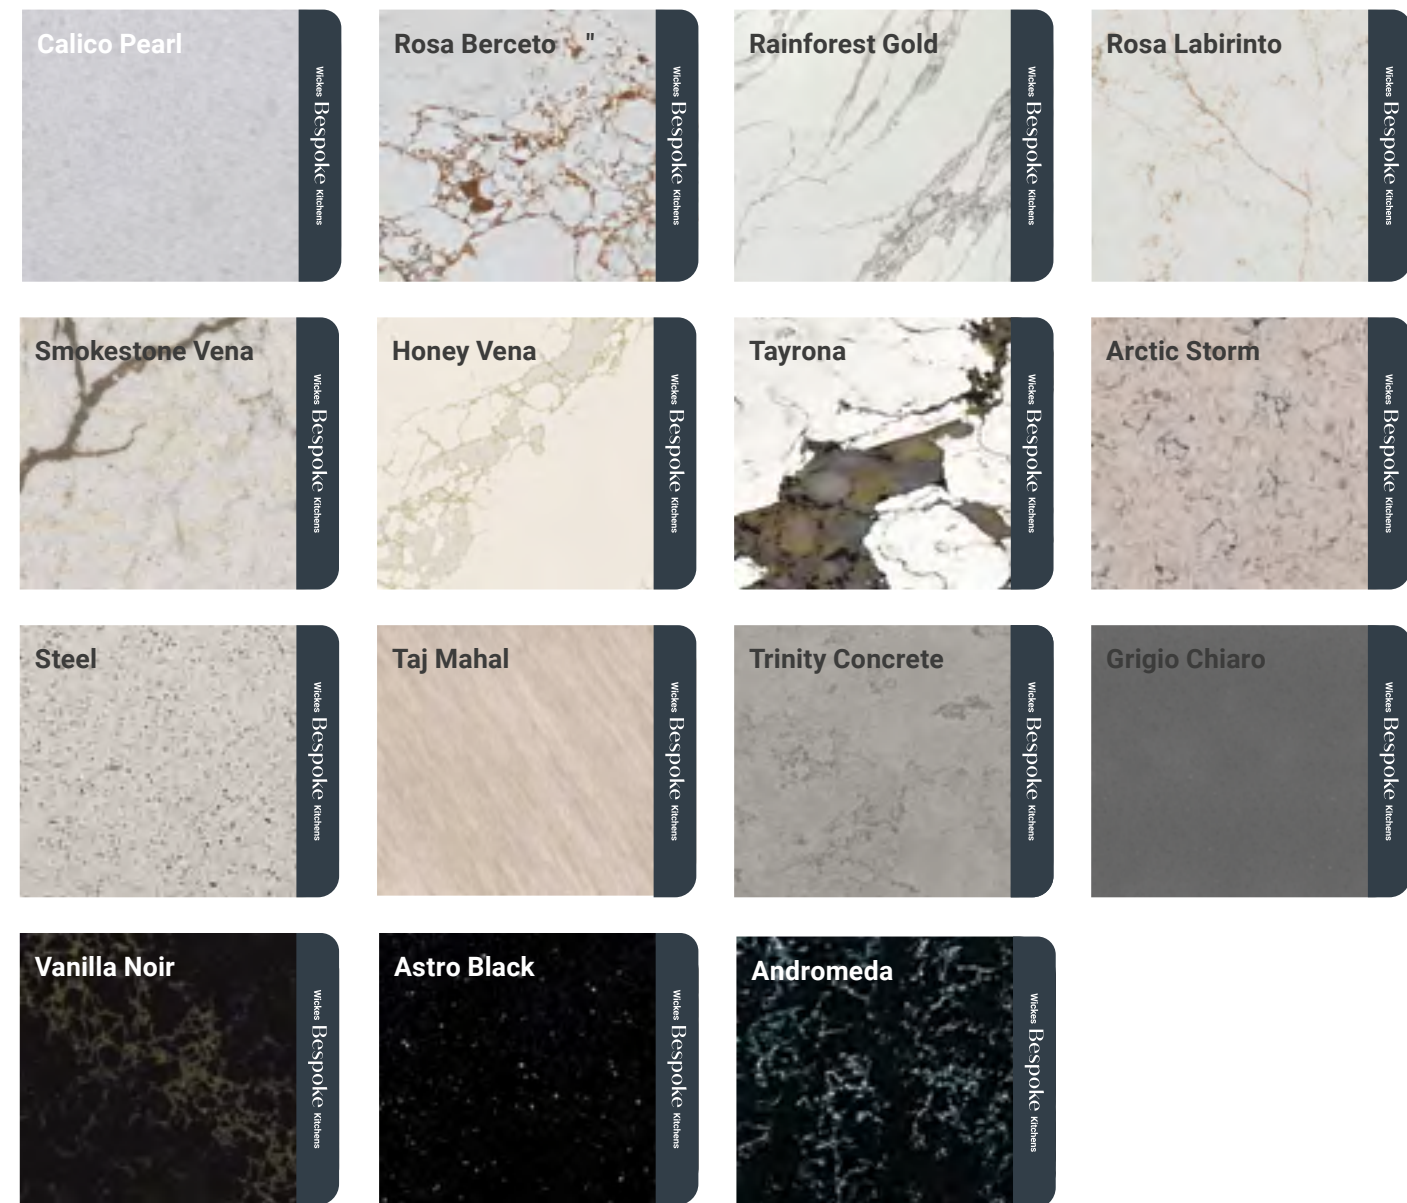

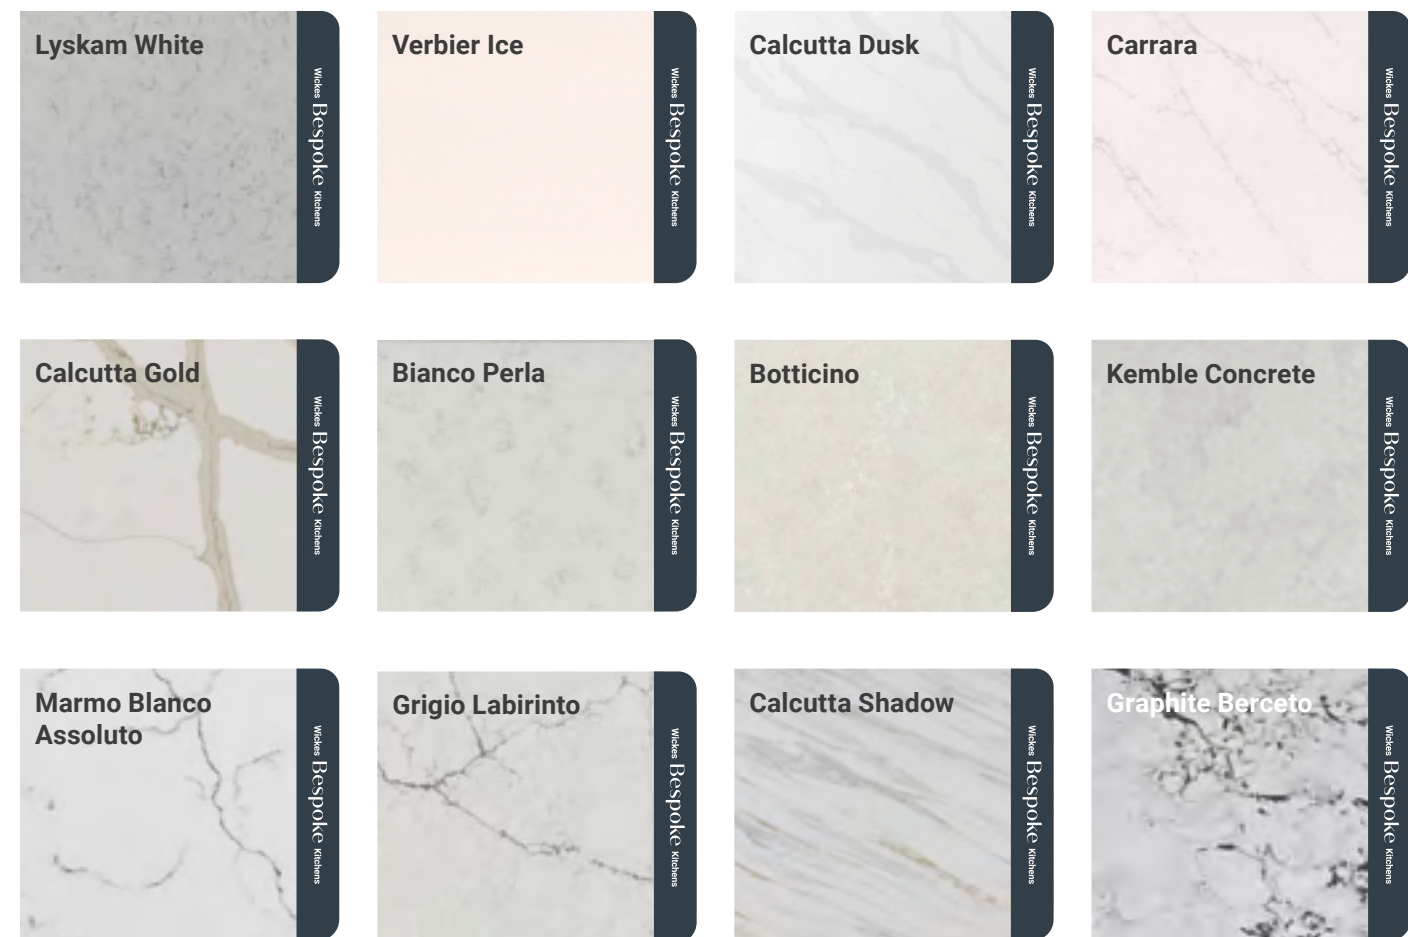

Granite available in 30mm

Granite is exceptionally hard and unique, with no two pieces alike. However, it's naturally porous and requires continuous sealing

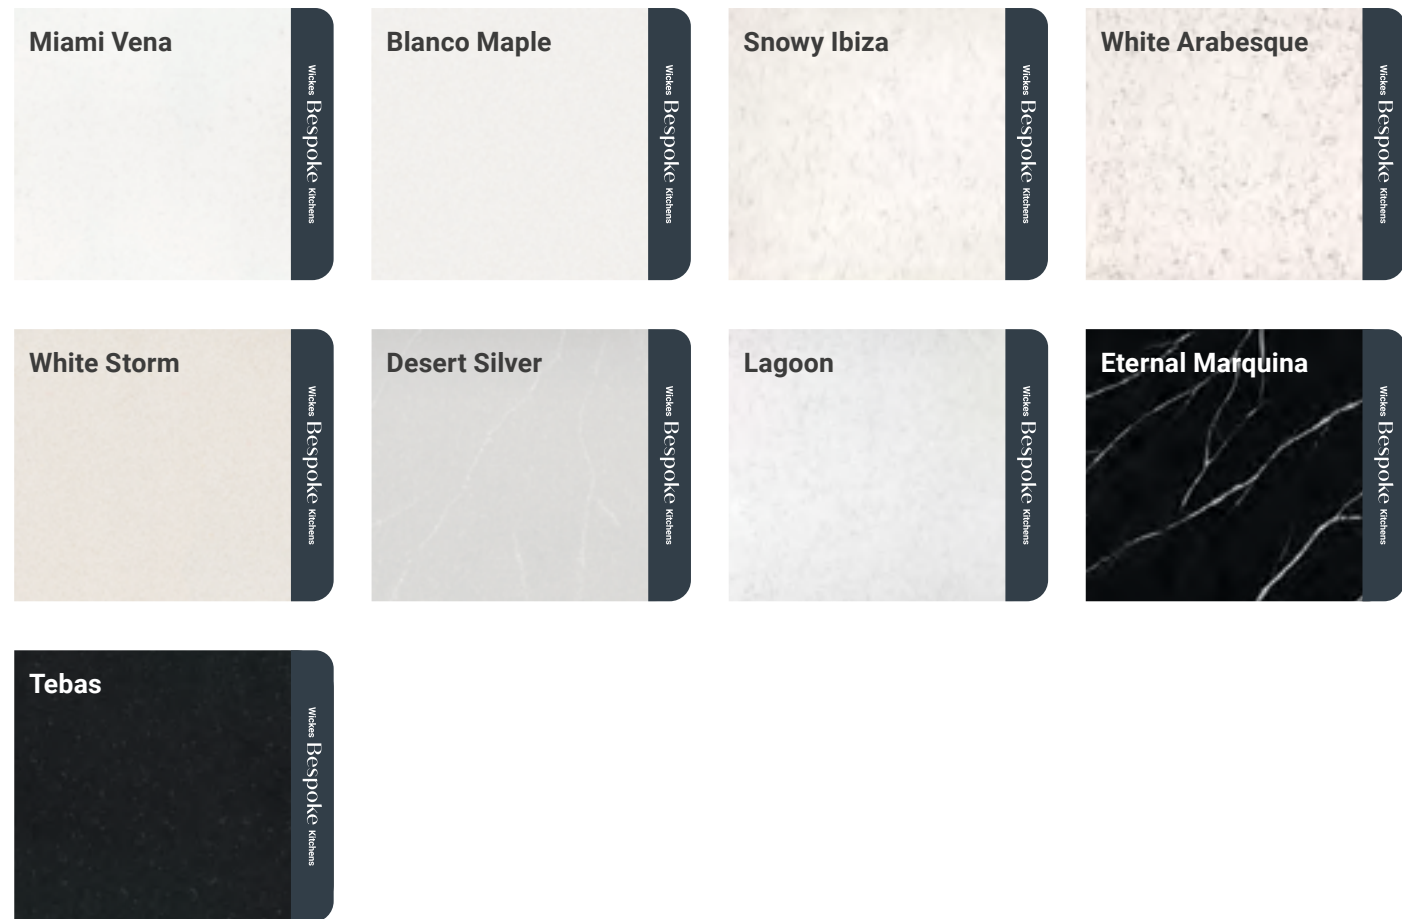

Quartz® available in 20mm and 30mm

An engineered stone made from 93% quartz and 7% polymer resin, to give consistent colour and finish which is retained over the years with minimal upkeep.

Solid surface worktops

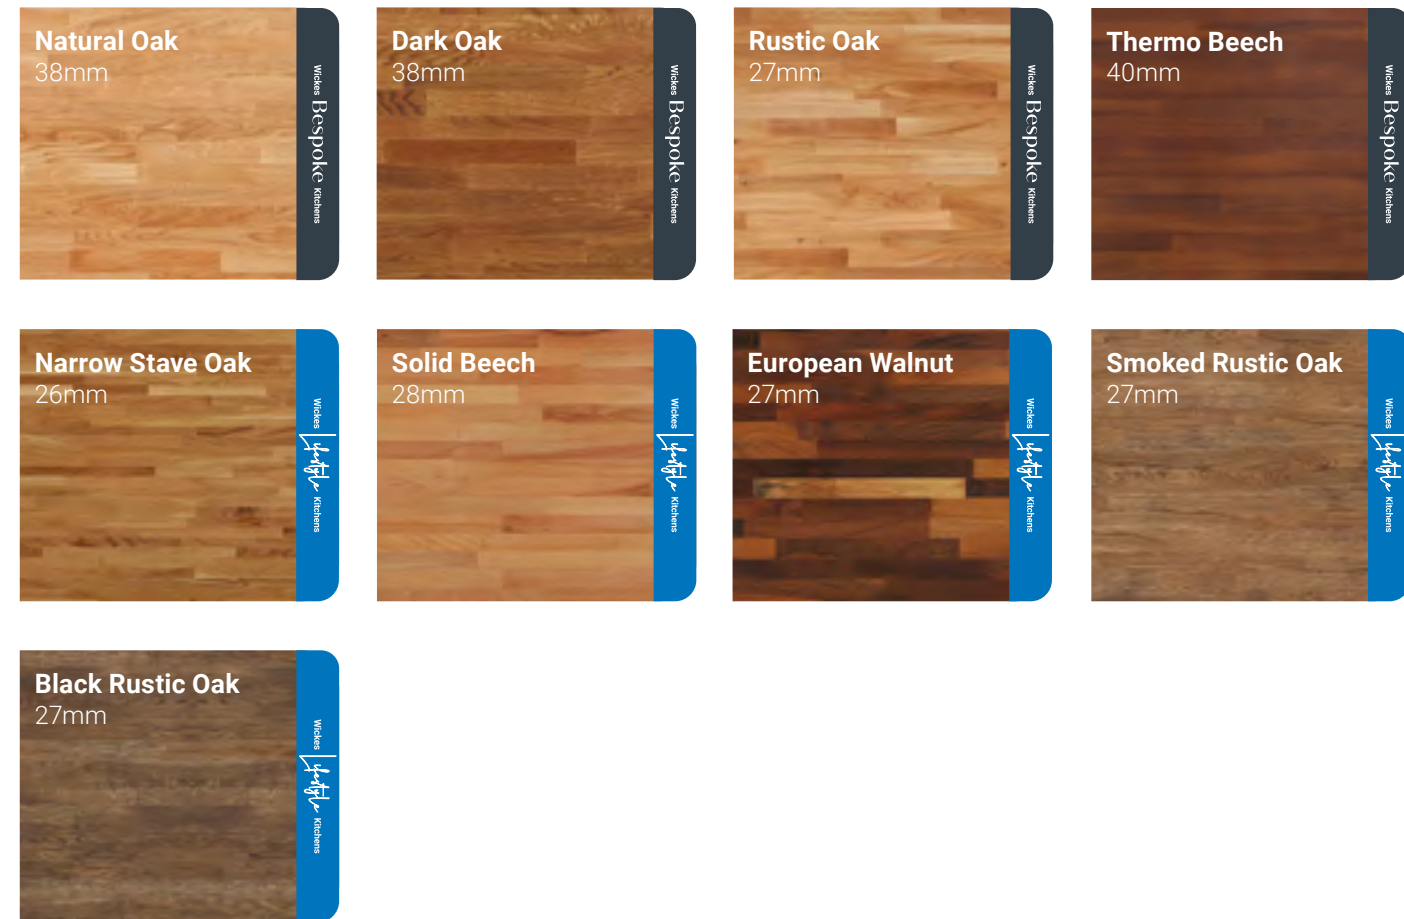

Silestone® Quartz® available in 20mm and 30mm

Worktops

Solid timber

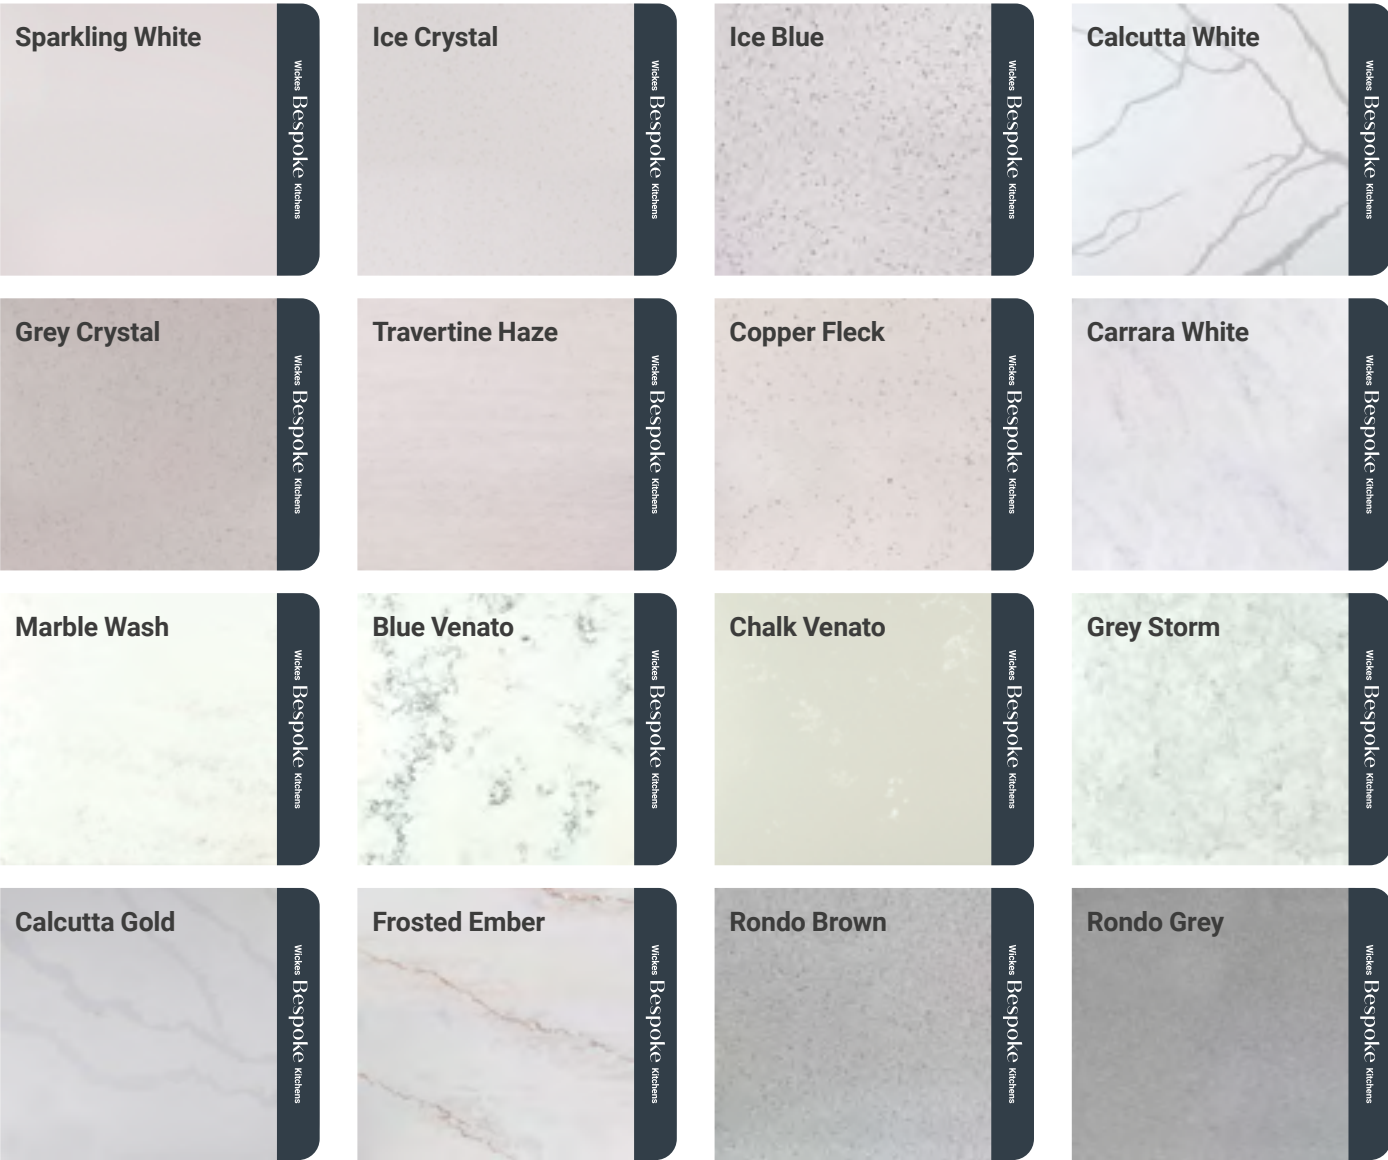

Hardwood staves joined, oiled, and finished with antibacterial, water-repellent and smooth finish.

Worktops

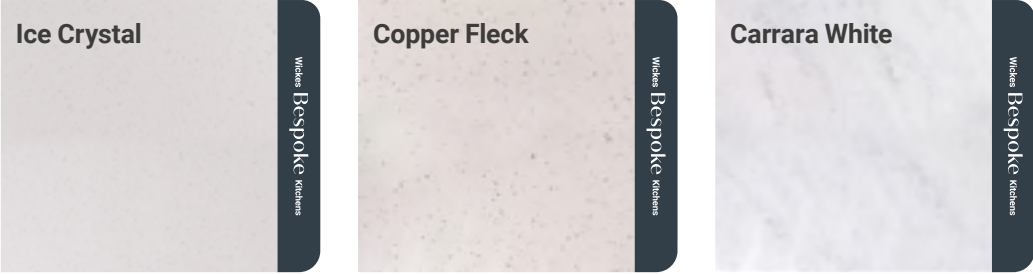

Minerva® available in 25mm

Practical, solid, and 25mm thick with consistent colour throughout. Minerva offers a luxurious look, seamless joins, and complete design flexibility.

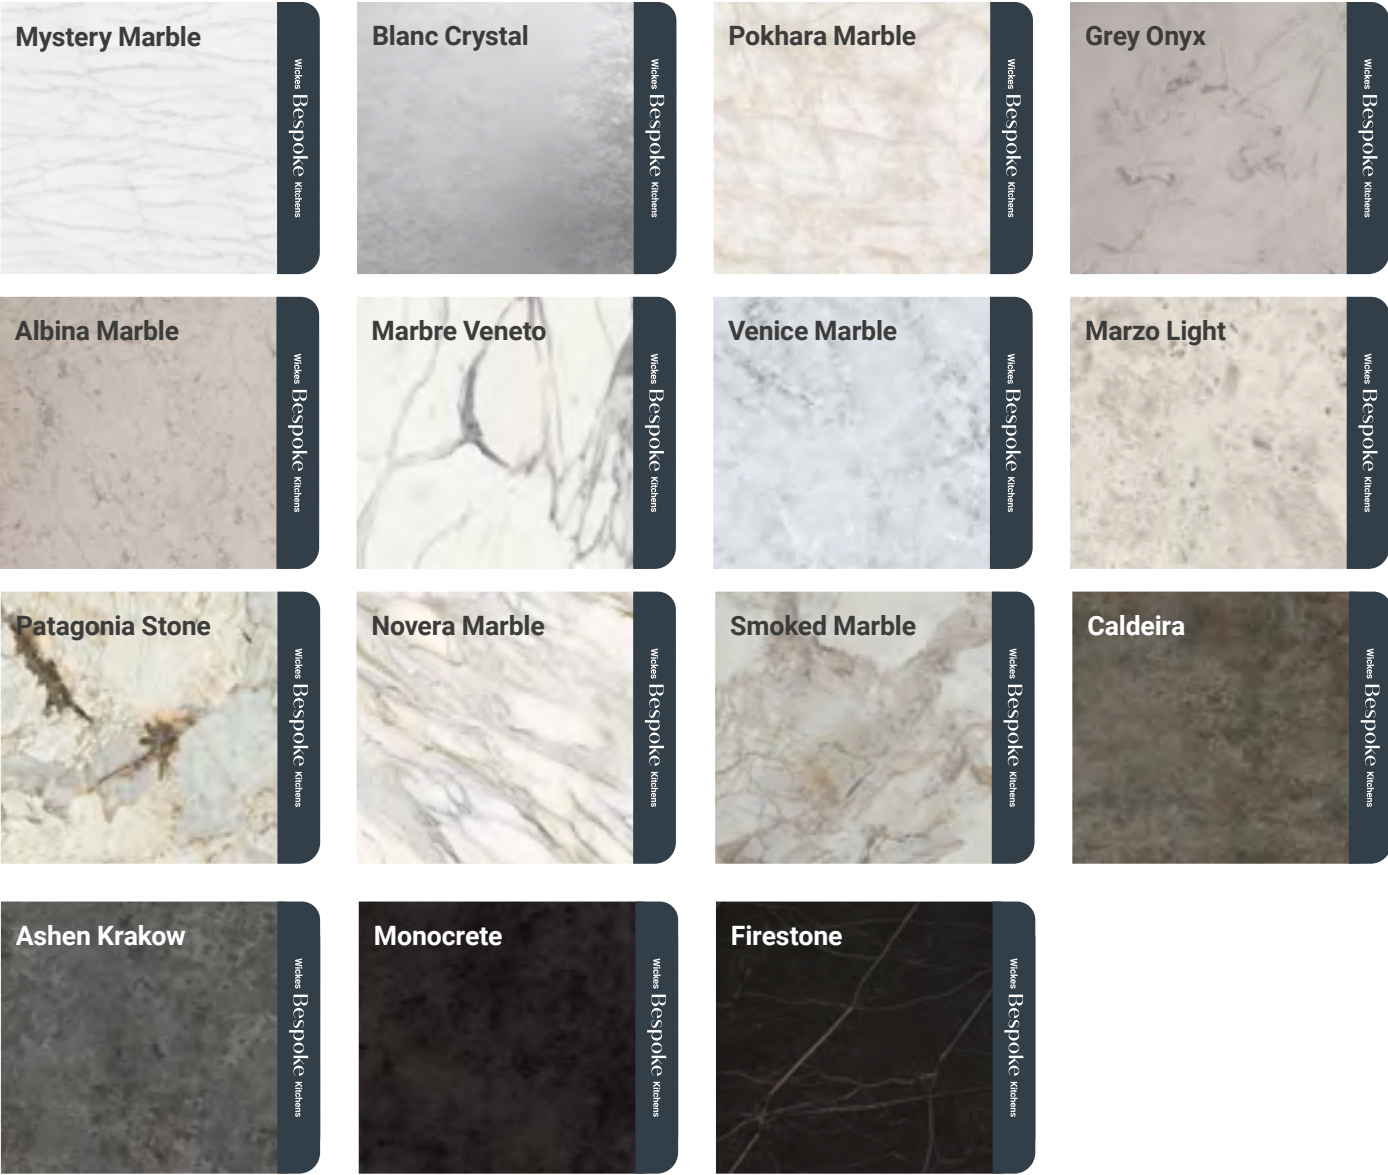

Metzo® available in 20mm

Practical, solid, 20mm thick with consistent colour, offering a luxurious look, seamless joins, and full design flexibility.

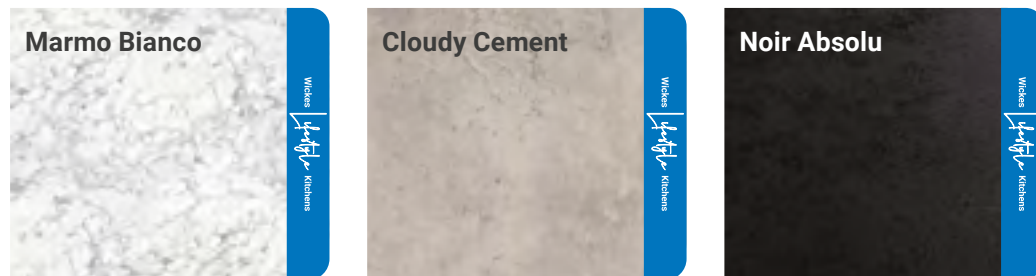

Compact laminate available in 12.5mm

Compact worktops are super slim, super tough and 100% waterproof, so they look and perform like stone or ceramic without the long and expensive fitting process.

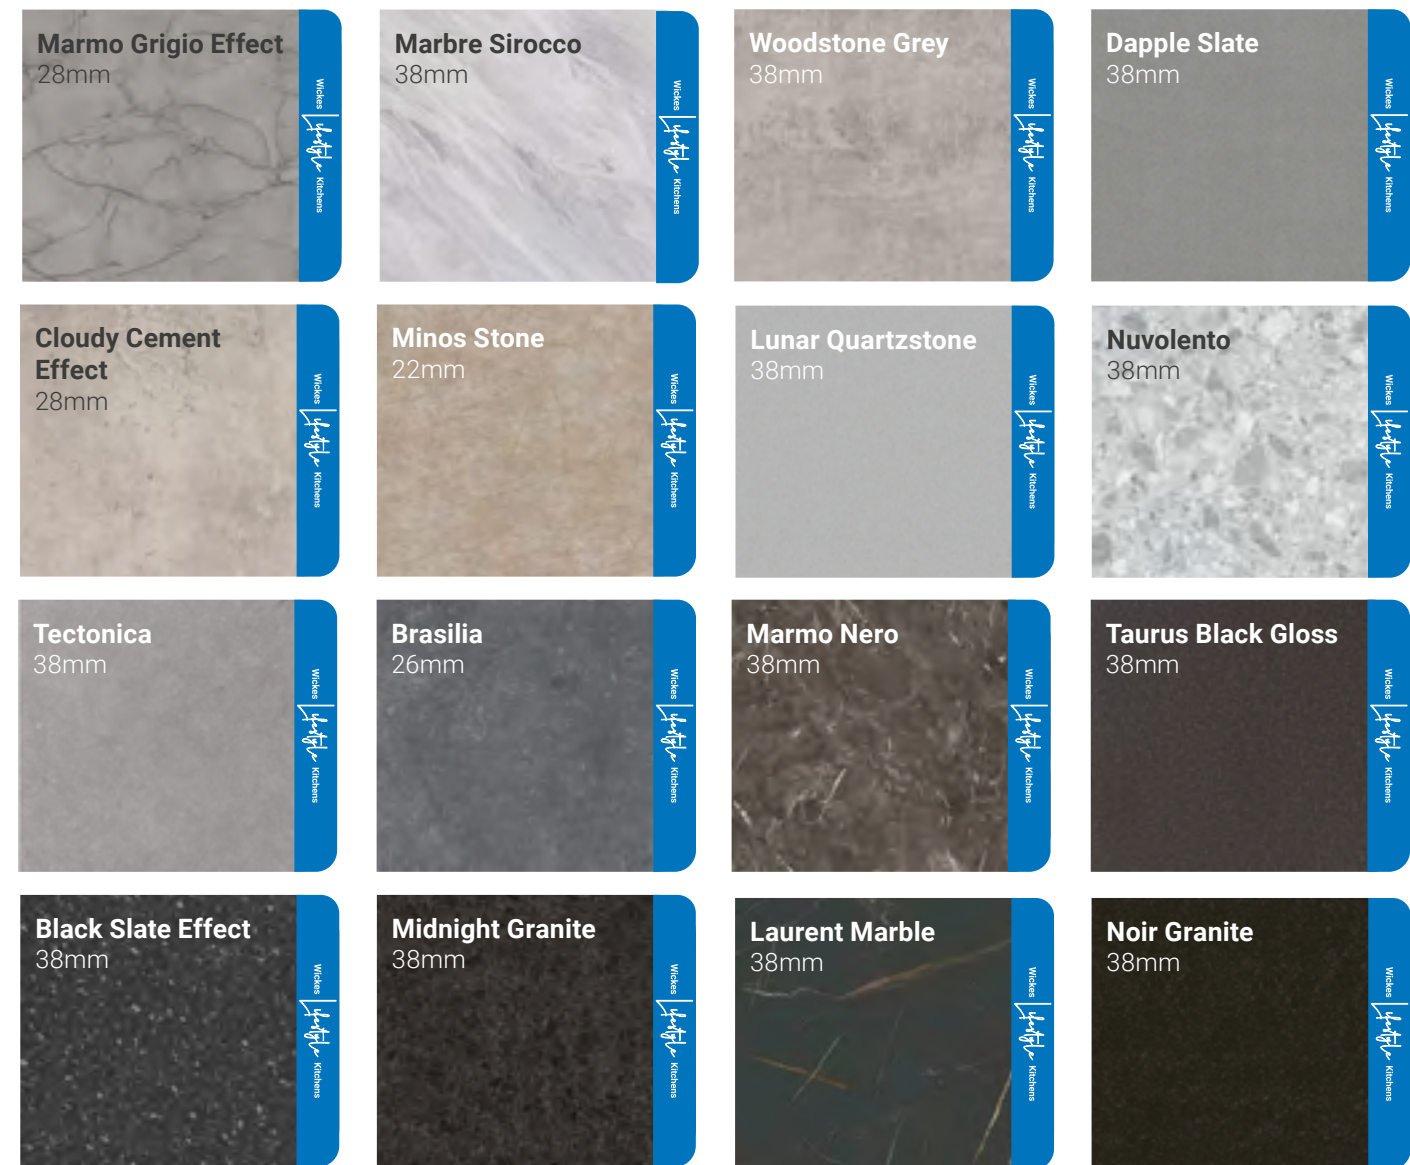

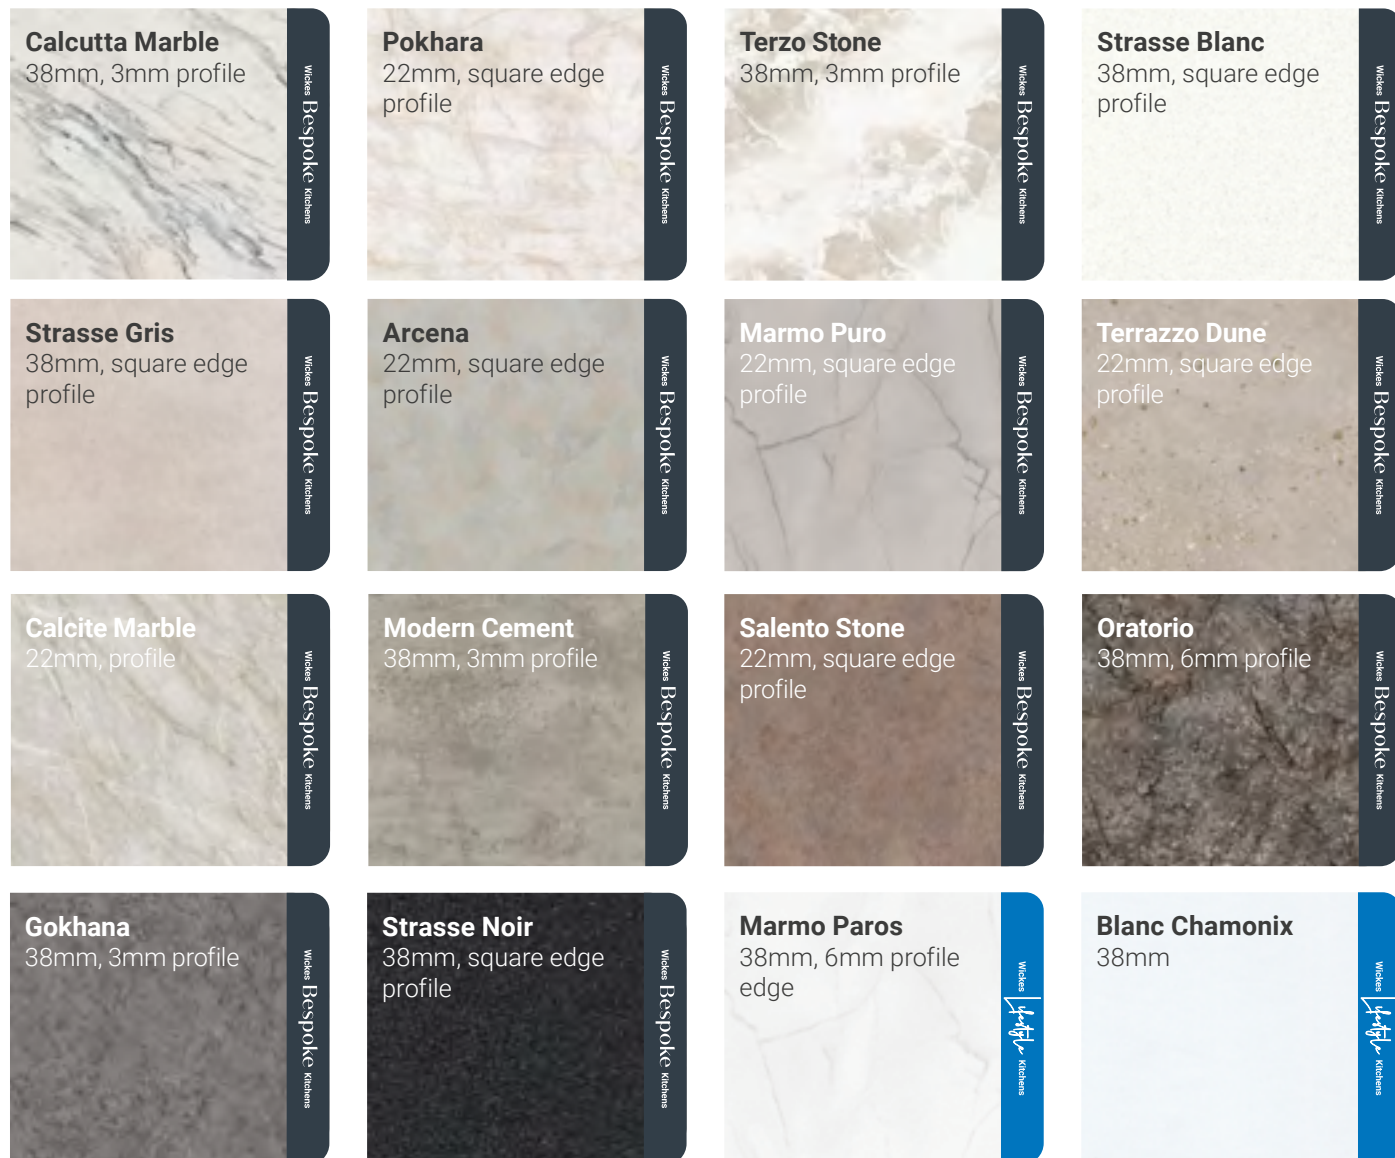

Worktops

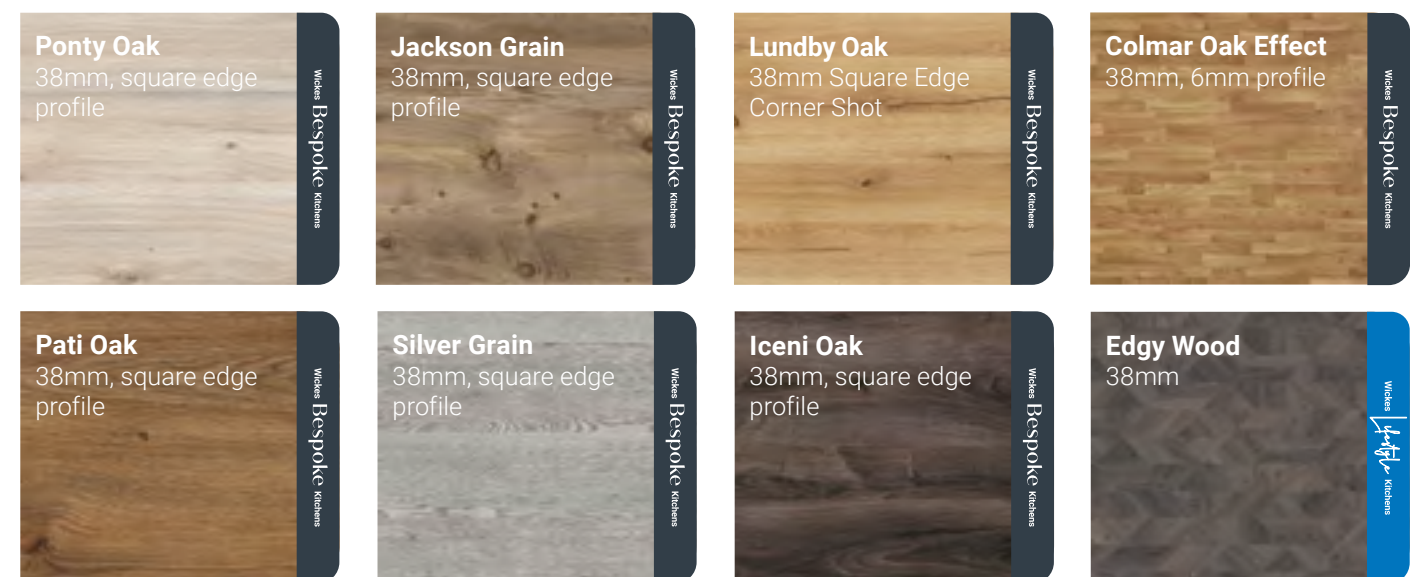

Laminate

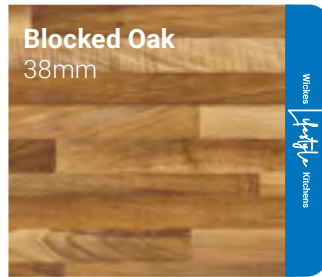

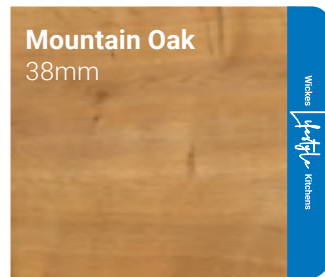

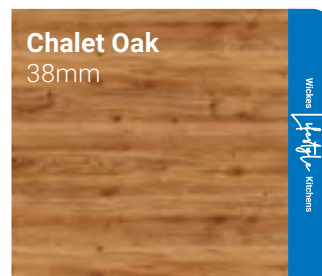

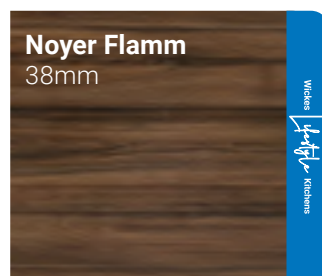

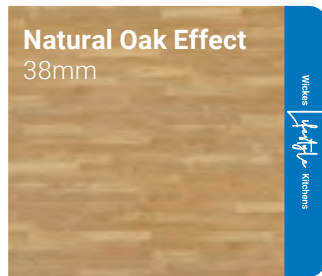

In wood, stone, quartz and marble effects, laminate worktops are a great way to create a realistic finish at an affordable price point.

Plinth heaters

Our selection of plinth heaters are the perfect space-saving solution for keeping your kitchen warm without the need for a bulky radiator. Installing a plinth heater means you can enjoy the benefit of additional space for cupboards and worktops. With an electric option available or a model that easily connects to your central heating system, they deliver ample heat to keep your kitchen warm.

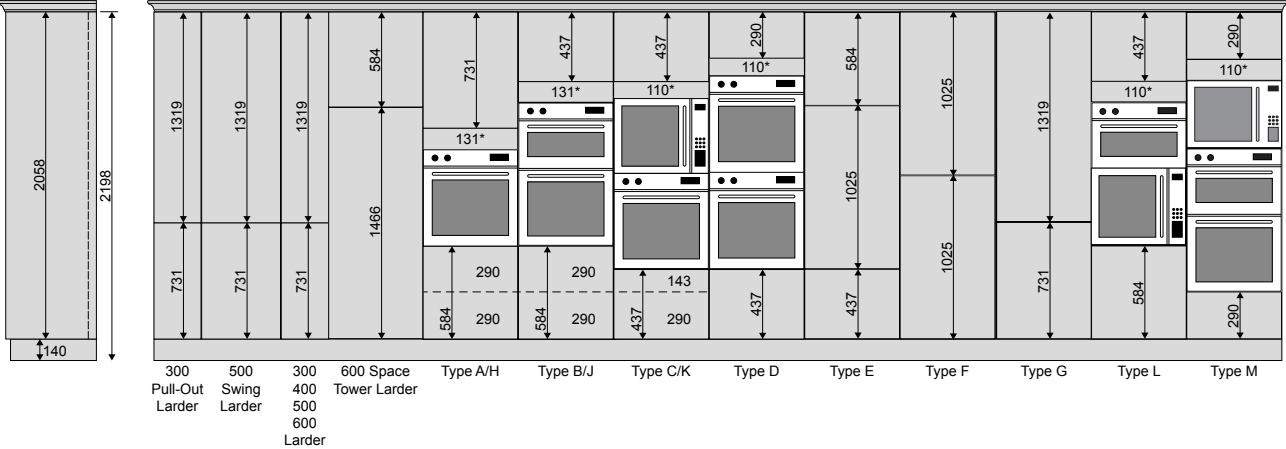

Plinth Heater
Heat outputs up to 2kW

Mid Height Appliance Cabinets

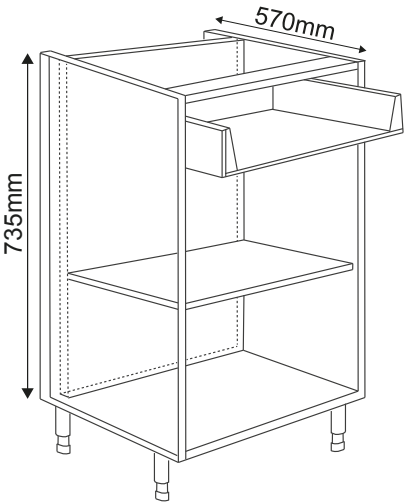

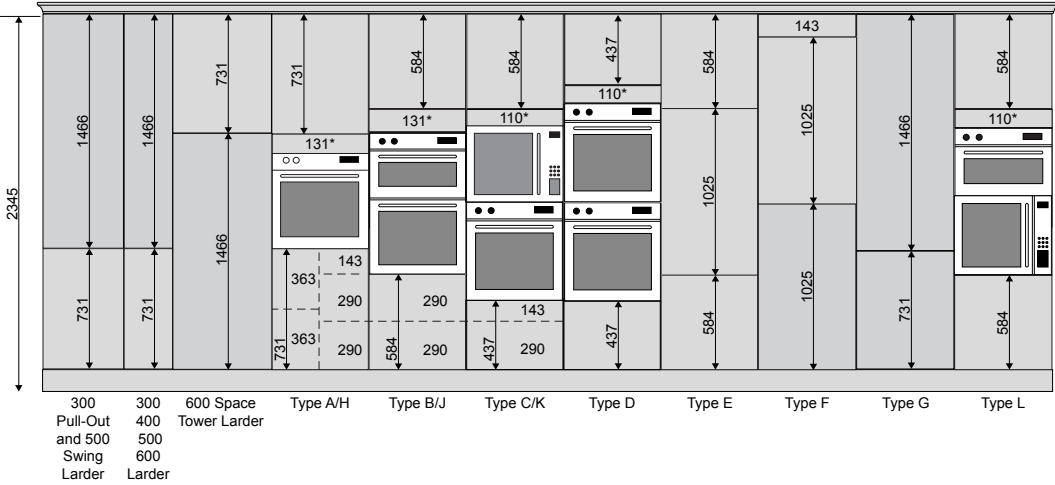

Tall Decorative Posts

18mm Plant-On Decor End Panels

Tall Appliance Cabinets

- All base cabinet legs are adjustable to allow for uneven floors
- 68mm service void allows pipework and cables to be neatly hidden behind the back panel
- Cabinets are made from 18mm thick MFC panels, with a 12mm full height thick back panel
- Shelf supports can be moved about within the cabinet to suit your storage requirements
- Drawers have 15mm bottom panels and will hold up to 25kg
- Drawers are fully extendable, allowing you to reach the back easily
- Soft Close on all doors and drawers prevents trapped fingers and is quieter
- Fully adjustable Blum hinges allow for perfect alignment on all doors
