Kitchens *from* Wickes

From your first home to your forever home there are kitchens from Wickes to suit your style and your budget. Our experts will help you every step of the way and bring your ideas to life.

Kitchens from under £3,000 to over £20,000

Free design service, including home measure*

70 different styles and over 200 cabinet options

Top appliance brands from Zanussi and Samsung to Bosch and AEG

Installation available with 2 year workmanship guarantee*

A personal coordinator will support you throughout your journey from delivery to completion^

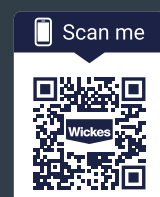

Up to 20 year guarantee on cabinets and up to 10 years on door and drawer fronts

Finance options available*

Speak to a member of our showroom team in store, or scan here to book an appointment today.

*Available on Wickes Bespoke Kitchens only

^Selected ranges only when installation is chosen

With you every step of the way...

1

Book your free design appointment

Book your appointment at [wickes.co.uk/designconsultant](https://www.wickes.co.uk/designconsultant), or drop into one of our stores.

2

Gather your ideas

Think about what you'd love and what you need in your new kitchen. You can follow us on Pinterest and Instagram to find inspiration.

3

Free home consultation

Meet with your Design Consultant to discuss your ideas and how to make the best use of your space.

4

See your new kitchen in a 360° tour

We'll arrange a meeting, in store, to reveal your tailor-made 360° virtual kitchen design and demonstrate your chosen products.

5

Place your order

Once you decide to buy, we can talk you through our flexible payment options.

6

Meet your installer*

Your installer will visit to do a technical installation survey and double check everything is in order. If you choose your own installer, we'll meet with them to ensure things run smoothly.

7

Agree your delivery date

We'll arrange your kitchen delivery. If you've chosen Wickes installation, a personal Project Manager will be assigned to coordinate the remainder of your journey.

8

Be prepared

When your kitchen arrives, it could take up a lot of space so make sure you have cleared enough room to store it. You'll also need to empty out your old kitchen and set yourself up with a temporary one in another room.

9

Watch your kitchen transform

Now the exciting bit! We'll remove your old kitchen and dispose of it in an environmentally-friendly way*, then start installing your new kitchen.*

10

Enjoy your new kitchen

Once your kitchen is finished, sit back relax and enjoy.

Your ideas. Our know-how.

Our experienced Design Consultants will support you through every step, from planning and design all the way through to installation and aftercare.

View an example of one of our kitchen designs with 360-degree views.

Get expert design input on your ideas and be inspired by clever space-saving solutions

Our Design Consultants know our products like the back of their hands so they can design a kitchen that works for you and your lifestyle. From branded appliances with special cooking functions to dishwashers designed to save your back, even integrated wireless chargers for all your gadgets. And to make full use of your space, they'll talk you through our clever storage ideas.

Have a free home visit with your dedicated Design Consultant

Meet with your Design Consultant in the comfort of your home to share your ideas for your dream kitchen. They'll discuss your options, measure your space precisely and offer their own thoughts and ideas.

Take a tour around our Kitchen showroom displays

Explore our kitchen showroom from the comfort of your own home with our online showroom tour at wicks.co.uk. See products come to life as you open cupboards, drawers and so much more.

Scan me

See your dream kitchen brought to life with our virtual 360 tool

Once your Design Consultant has heard your ideas and seen your space, they'll use their know-how to design your new kitchen. You'll be invited into or to a virtual meeting where they'll do product demonstrations and reveal an interactive 360° illustration of how everything will look.

Complete the look. We'll help you find the worktops, sinks, taps and splashbacks to suit your style

We offer so much more than kitchen cabinets and worktops. Your Design Consultant will help you personalise your kitchen with complementary appliances, sinks, taps and handles as well as lighting, tiles, paint and flooring.

Your home. Our guarantee.

68mm service void allows pipework and cables to be neatly hidden behind the back panel

12mm back panel and 18mm side panels provide extra strength and rigidity

Soft close on all doors and drawers prevents trapped fingers and is quieter

Fully adjustable Blum hinges allow for perfect alignment on all doors

Drawers are fully extendable, allowing you to reach the back easily

Drawers have 15mm bottom panels and can hold up to 25kg

Shelf supports can be moved within the cabinet to suit your storage requirements

All base cabinet legs are adjustable to allow for uneven floors

20
year
guarantee

on units, hinges
and drawer
runners

10
year
guarantee

on doors
and drawer
fronts

Our Wickes Bespoke kitchens are built to last. We're so confident that we guarantee them for 20 years.*

*Cabinets (units, hinges and drawer runners) are included in the 20 year guarantee. Doors and drawer fronts are guaranteed for 10 years. Blum hinges and drawer systems are guaranteed up to 20 years. These guarantees apply on Wickes Bespoke Kitchens and do not affect your statutory rights.

Our hard-wearing units, hinges and drawer runners are guaranteed for 20 years.

Don't worry. Even heavy use doors and drawer fronts are covered for 10 years.

Be inspired by top brand names and innovative smart technology.

Don't just take our word for it. Read our excellent customer reviews on Trustpilot.

Your trust.

Our installers.

Our local, trusted installers can take care of everything on Wickes Bespoke kitchens; from plumbing to fitting, gas to electrics, lighting to tiling.

Enjoy peace of mind. Wickes will manage your project and sort any issues along the way

Our experienced installers will fit your kitchen to the highest standard, whilst adhering to additional safety measures we've put in place, so you can relax knowing that your kitchen is in safe hands.

Our Wickes-approved installers will complete a full technical survey before your job begins

Once you've decided to go ahead with your new kitchen, we'll introduce you to your Wickes-approved installer. They'll come to your house, before the installation begins, to carry out a detailed technical survey to check that everything is in order. You can also use this time to discuss any work that needs doing such as gas, electrics or plumbing.

Our service includes the environmentally-friendly disposal of your old kitchen

Before we install your new kitchen, we'll remove your old one as part of our service, making sure that it's disposed of in a professional, environmentally-friendly way*.

Receive a 2 year workmanship guarantee on top of your kitchen guarantees

We want you to be completely happy with your installation, knowing that everything has been fitted safely and correctly. Once it's been installed, we'll provide you with a 2 year workmanship guarantee on top of any product guarantees.

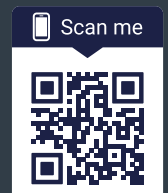

If you choose your own installer, we'll still meet with them to ensure things run smoothly

We would always recommend you use our installers but, if you would prefer your own fitter or builder, we are more than happy to meet with them, to go over the plans and any details, once you've placed your order. We'll do all we can to make your kitchen fitting go as smoothly as possible.

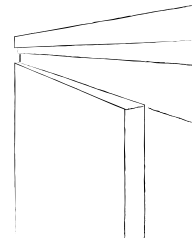

Watch our video to learn about the installation process and see a Wickes kitchen come to life.

Our kitchen styles explained

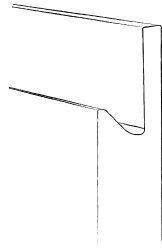

Intelliga

Our premium range of truly handleless kitchens. A discreet metal rail is built into the cabinet, creating space to reach the doors and pull open with your hand. Drawers are opened with either a push or pull, leaving you with a streamlined look.

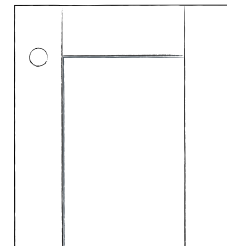

J-Pull

J-Pull is a handleless style that has a 'J' shaped curve built into the top of the cabinet door or drawer front, perfectly shaped to pull open.

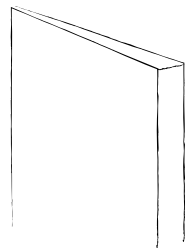

Shaker

Shaker-style doors generally consist of a 4-piece frame with a recessed centre panel. The frame is traditionally wide, whilst the Chester range offers a more contemporary narrow option.

Slab

Slab doors and drawer fronts are clean and simple, offering the perfect blank canvas for a modern look. Pair with a strap handle for a contemporary look, or use cup and knob handles to make it more classic.

Cabinet interior options

Our cabinet interiors come in a choice of two colours, soft White and Grey. Both colour options are available across all of our kitchen ranges.

Soft White co-ordinates with our tandem drawers and storage accessories.

Grey goes perfectly with our premium Intivo drawers and storage accessories.

Your budget. Our promise.

We can find products and payment options to help you make your money go further.

Choose from a wide range of kitchens to suit you and your budget.

Spread your costs with our flexible payment options, including Interest Free Credit.[^]

Receive a clear, itemised quote that's easy to understand.*

Natura - Inspired by Nature

Boasting quality oak veneer frontals, Natura is available in two variants, a light Scandi feel with Dawn or a dark luxurious effect with Dusk.

Use as a mix and match accent to your dream kitchen, with the option of reeded panelling and Intelliga, our truly handleless solution, or opt for a full Natura design to really make a statement.

Shaker Milton Grey

Milton's natural woodgrain effect blends the beauty of wood with the strength of man-made materials. The shaker-inspired design, painted in a delicate matt powder grey, can be styled in a classic or contemporary direction, but will always look stunning.

Finish: Matt

★ Trustpilot ★★★★★

"Wickes did an excellent job designing and fitting our kitchen in Milton shaker style. We were keeping some of our old units and had a very tight space with low ceilings to work around. A different well known company said it could not be done. We are so pleased with the results and have had lots of lovely comments from friends."

Update a kitchen

"Right from the start, our design consultant and kitchen advisor were outstandingly helpful in developing our plans to update our Kitchen. We booked the Wickes installation team which was also a good idea as the installers were superb and particular about quality. The work was undertaken on the agreed date and finished as expected. Would I recommend Wickes to anyone? - I already have!"

Great kitchen experience

"From start to finish our Design consultant has been with us all the way. From the original home visit to the final email he has gone above and beyond in getting us the kitchen we wanted. His flexibility and can do attitude was a god send. We didn't change much in our original plan but the few things we did he did without hesitation. His knowledge was exceptional. He passed us on to the kitchen fitters who were also exceptional."

Intelliga Sandford Midnight

Sandford is a modern slab door with a premium satin painted finish, and will work brilliantly with the handleless look of Intelliga. The rich dark blue of the Midnight doors and drawers will give your kitchen a really aspirational style.

Finish: Matt

@gmsnw

Intelliga
Esker
Ice

Sleek and chic, simple yet sophisticated: create a bright, open space without a handle in sight with these slab-style single-touch doors and drawers. Esker's almost pearlescent white fascias contrast with the toughness of the highly reflective, acrylic finish.

Finish: Gloss

Worktop:
Corian® - Carrara Lino

Trends

Minimal Luxe

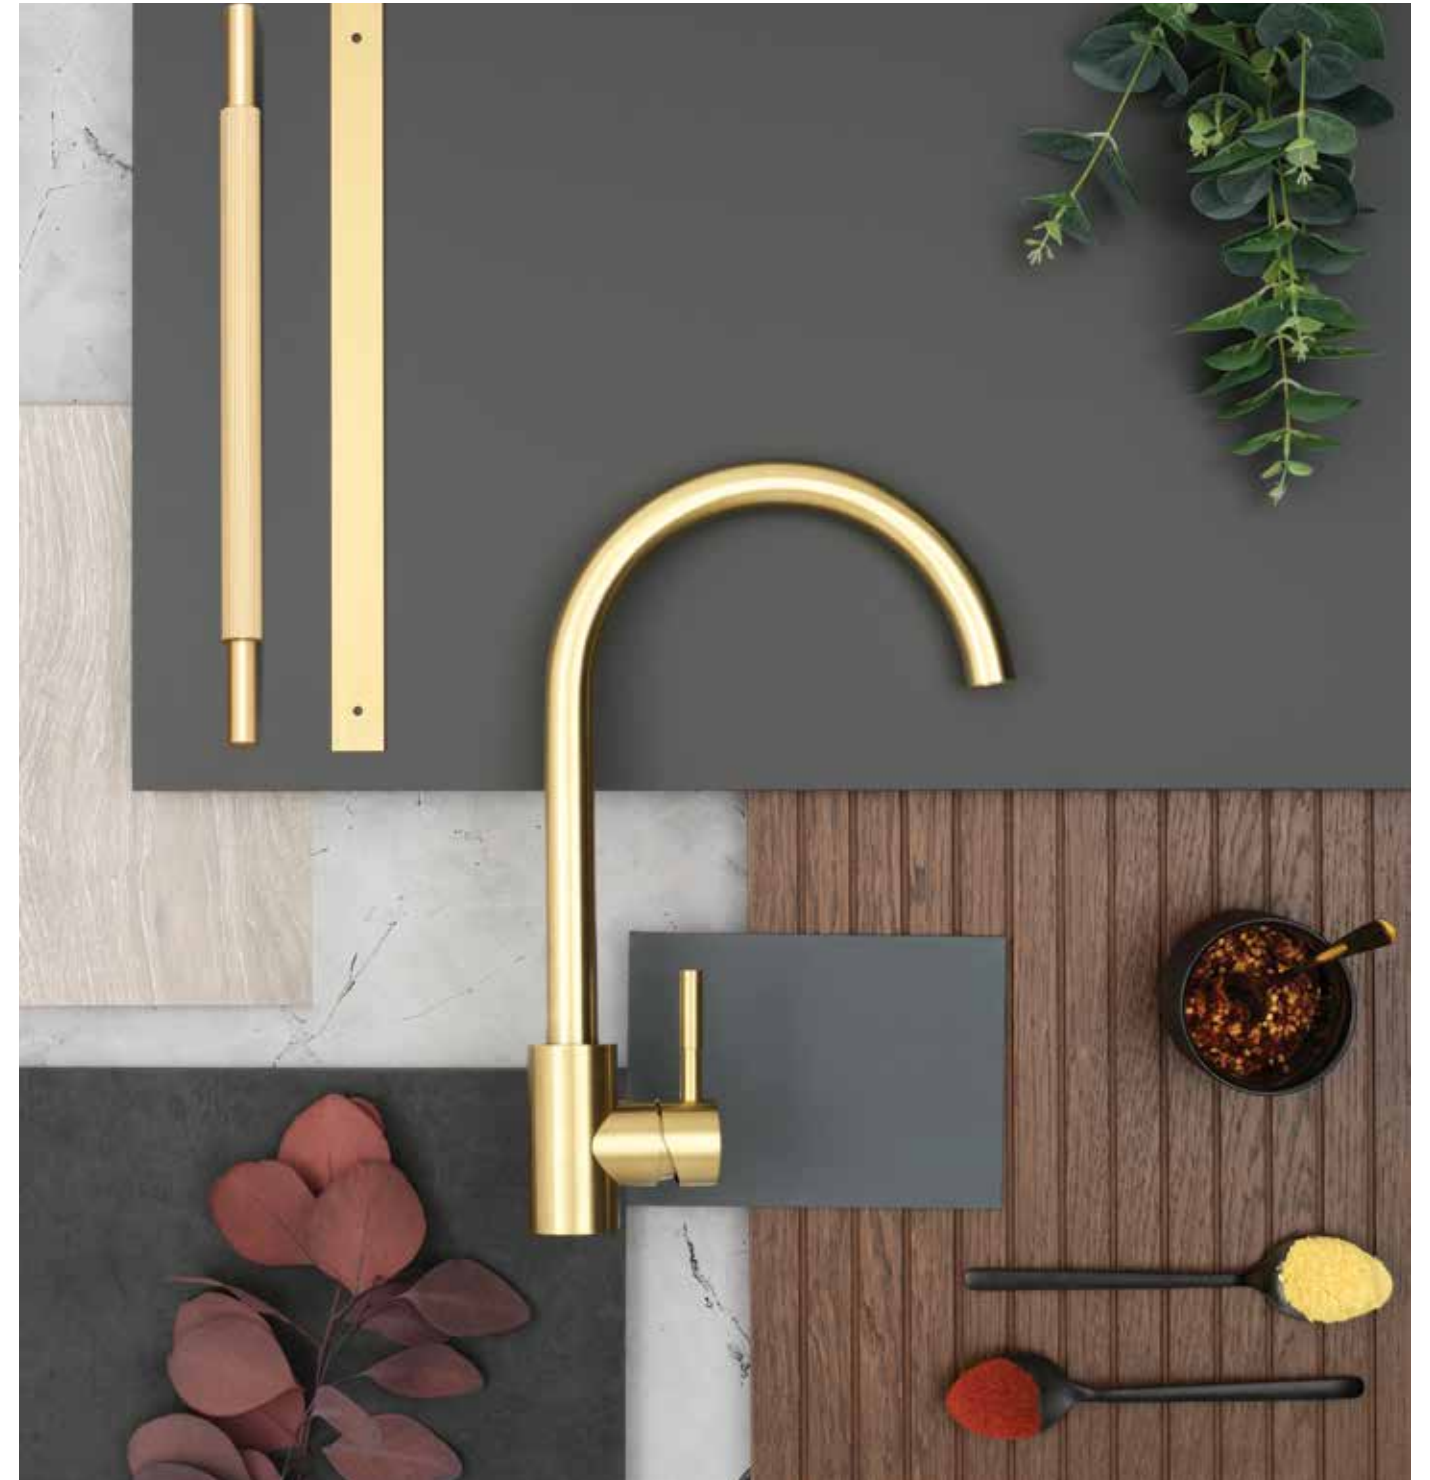

There is a continued trend for incorporating calmness into the kitchen and bringing the outdoors in. Neutral shades combined with natural textures and materials create a subtle elegance to your space.

Natura Dawn • Camden Pebble • Calacatta Gold Worktop • **284328** Pico Quad Tap • **285317** Encanto Bar handle • **117010** Dulux Matt Emulsion Paint - Jasmine White • **249433** City Stone Beige Wall and Floor Tile

Dark Serenity

Demand is growing for darker and dramatic kitchen spaces, but with a natural twist with woods or stone to create a textured and dynamic effect that makes a bold statement.

Melrose Carbon • Natura Dusk • Zenith Monocrete Worktop • **284286** Perugia Tap • **285334** Tahlia Bar Handle (with backplate **285343**) • **122331** Wickes Tough & Washable Matt Emulsion - No.240 Urban Nights • **148268** Arreton Light Grey Oak Flooring

Homely Comfort

There is a growing focus on embracing warmth and cosiness within the home and this continues to the kitchen. Featuring rustic textures, vintage-inspired elements, and calming tones to create a welcoming and comfortable space.

Chester Reed Green • Sanford Cloudy Blue • Lyskam White Worktop • Lagoon Worktop • **281520** Quooker PR03 Classic Fusion Round Tap • **285325** Margot Bar Handle • **266854** Crown Matt Emulsion - Sail White • **237058** Castleton Grey Oak Flooring

Bold Nostalgia

This trend combines vintage charm with vibrant, eye-catching colours and patterns. It revives retro aesthetics, celebrating nostalgia with a modern twist to infuse kitchens with vibrant energy and character.

Sofia Marine Blue • Minos Stone Worktop • Trinity Concrete Worktop • **281517** Quooker PR03 Fusion Square Tap • **287183** Boutique Terrazzo Speckle Tile • **156613** Dulux Matt Emulsion Paint - Copper Blush • **237060** Clovelly Light Oak Flooring

Kitchen visualiser

Use our online visualiser to see how different ranges, worktops, tiles, paints, flooring and splashbacks work together. This interactive tool helps bring your imagination to life, allowing you to mix and match until you find your perfect combination.

Worktops

We have a worktop to suit every budget with a wide range of finishes to fit with any colour scheme. You'll be spoilt for choice.

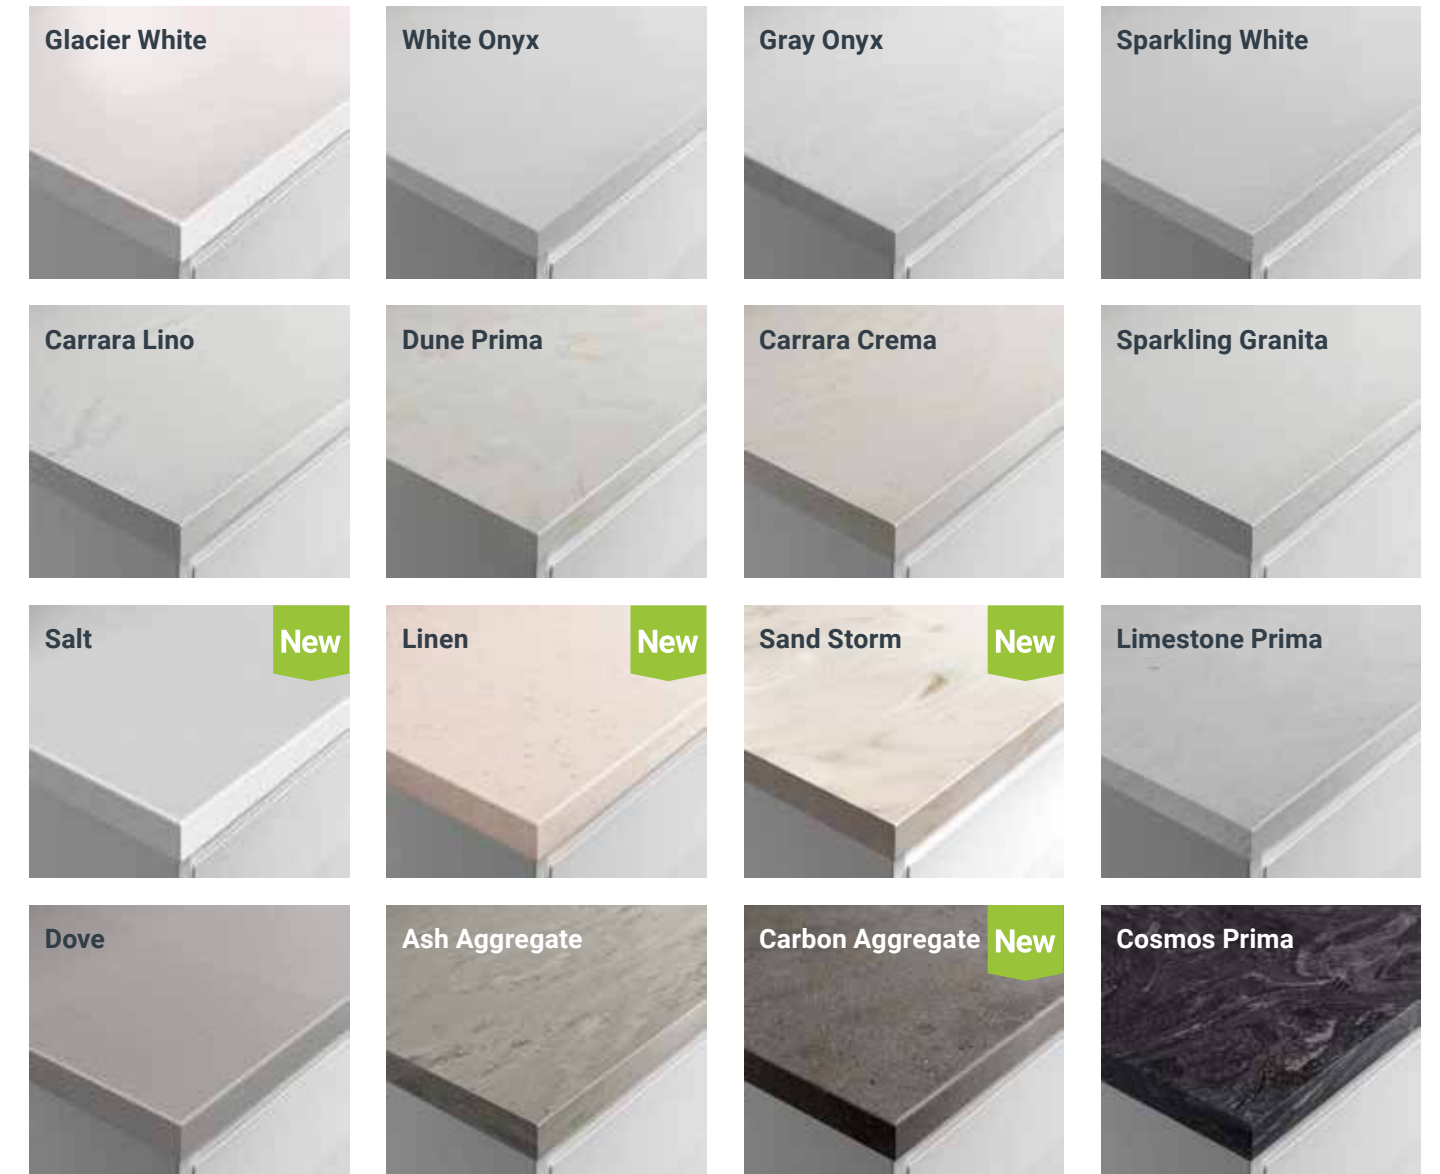

New Dekton available in 30mm

Dekton ultra compact worktops are resistant to heat, scratches and stains as well as being easy to clean. With a variety of striking decors that imitate natural minerals, Dekton worktops are a popular choice for any kitchen.

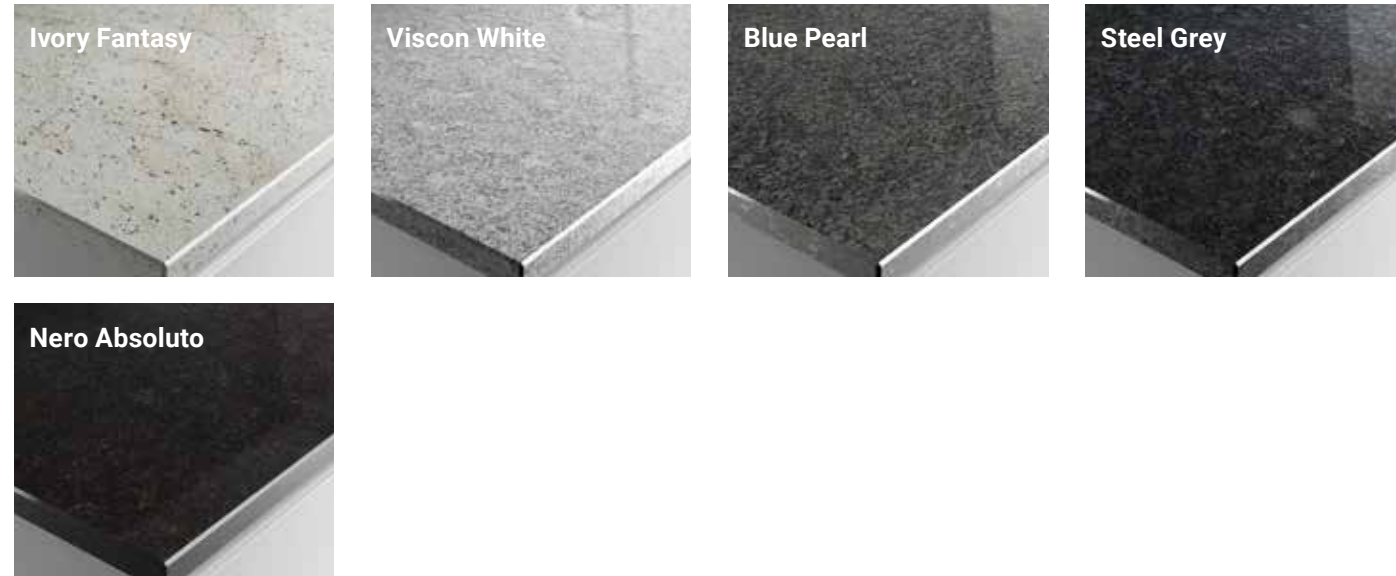

Corian® available in 37mm

A 12mm solid surface material made from one third acrylic resin and two thirds natural minerals that sits on a moisture resistant 25mm MDF subframe.

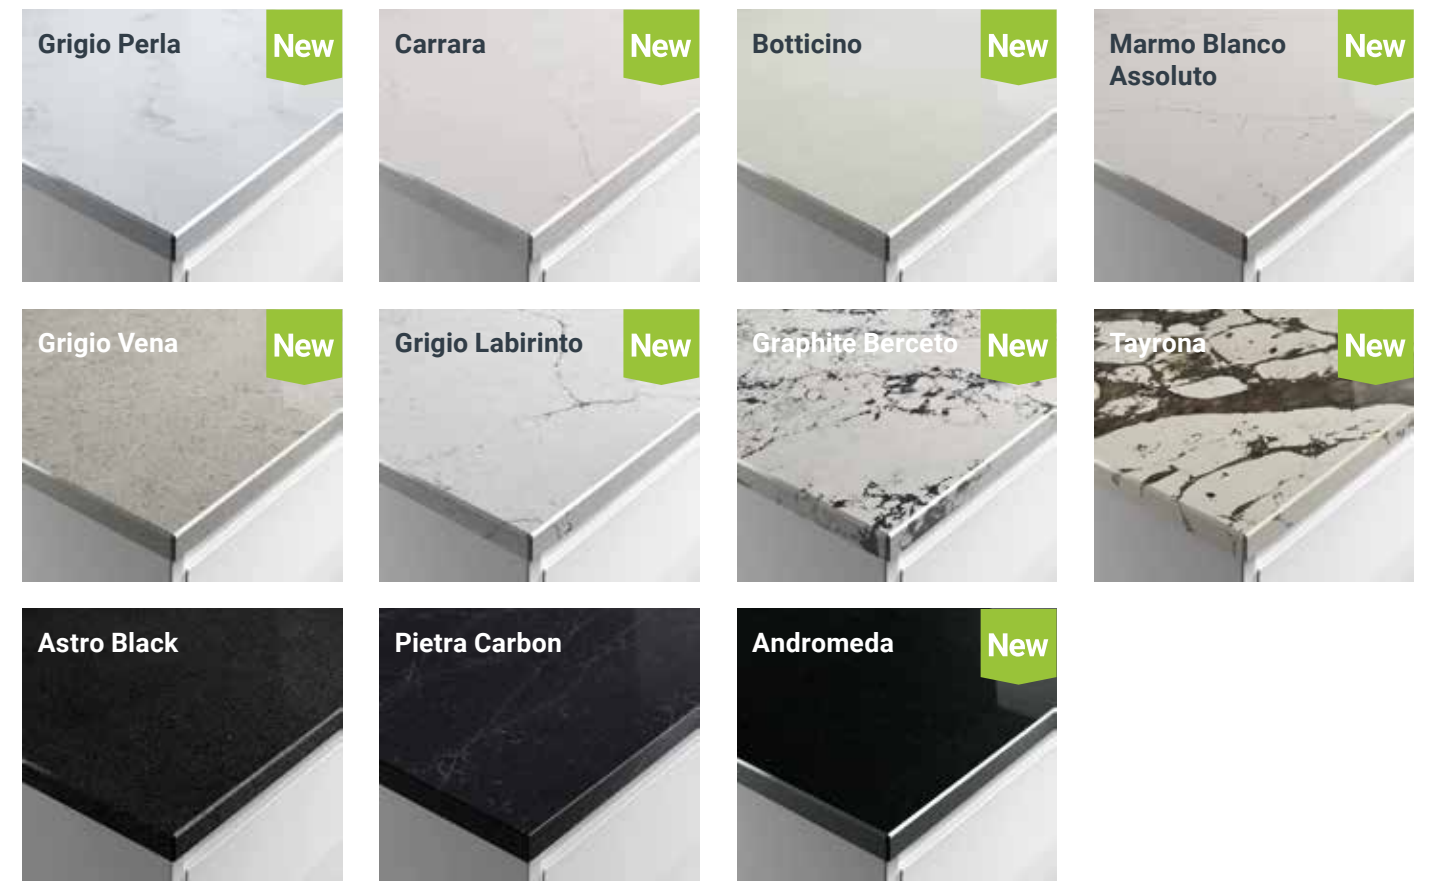

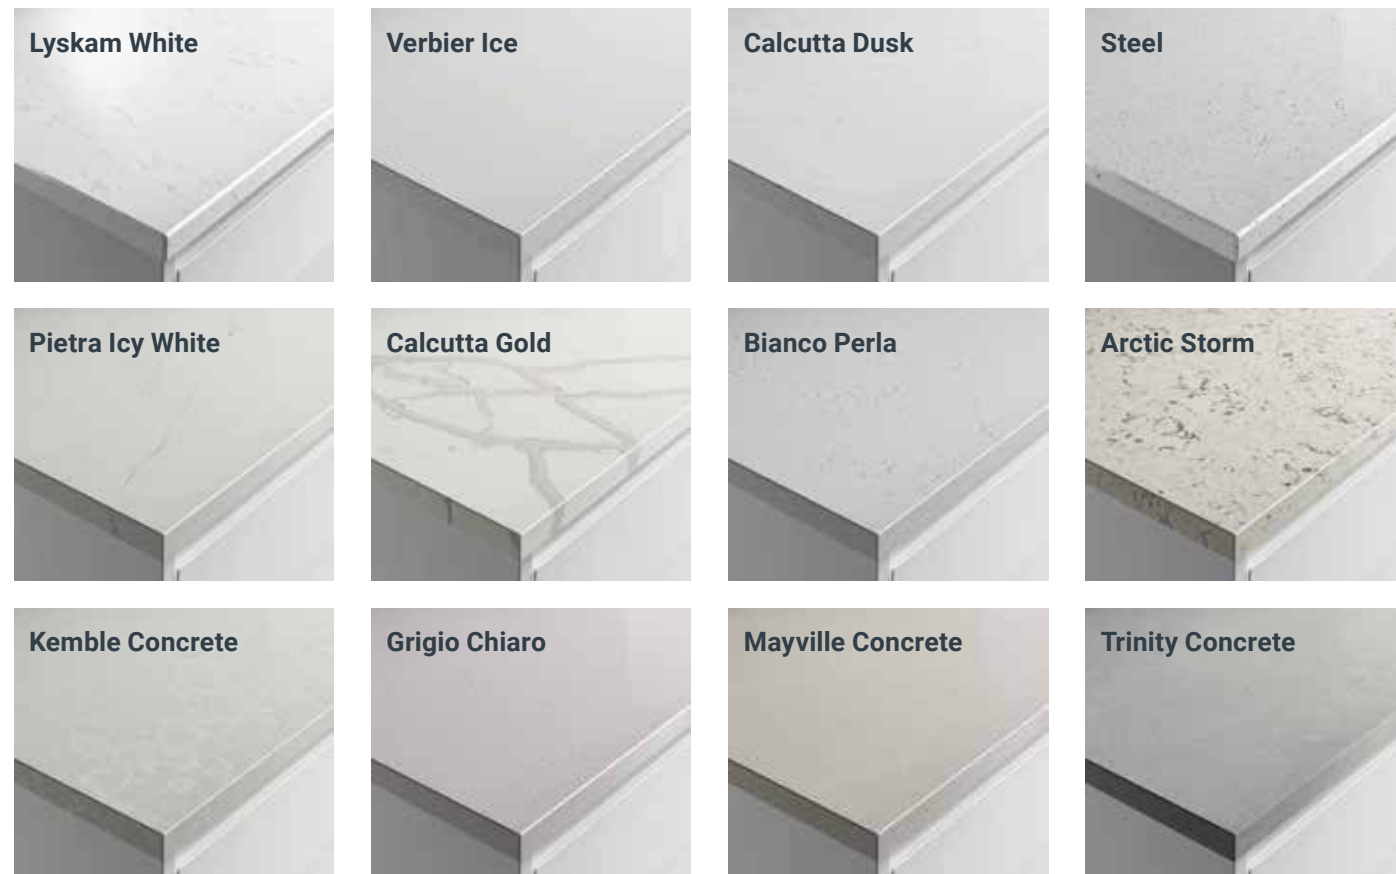

Granite available in 30mm

Granite is exceptionally hard and unique, with no two pieces alike. However, it's naturally porous and requires continuous sealing

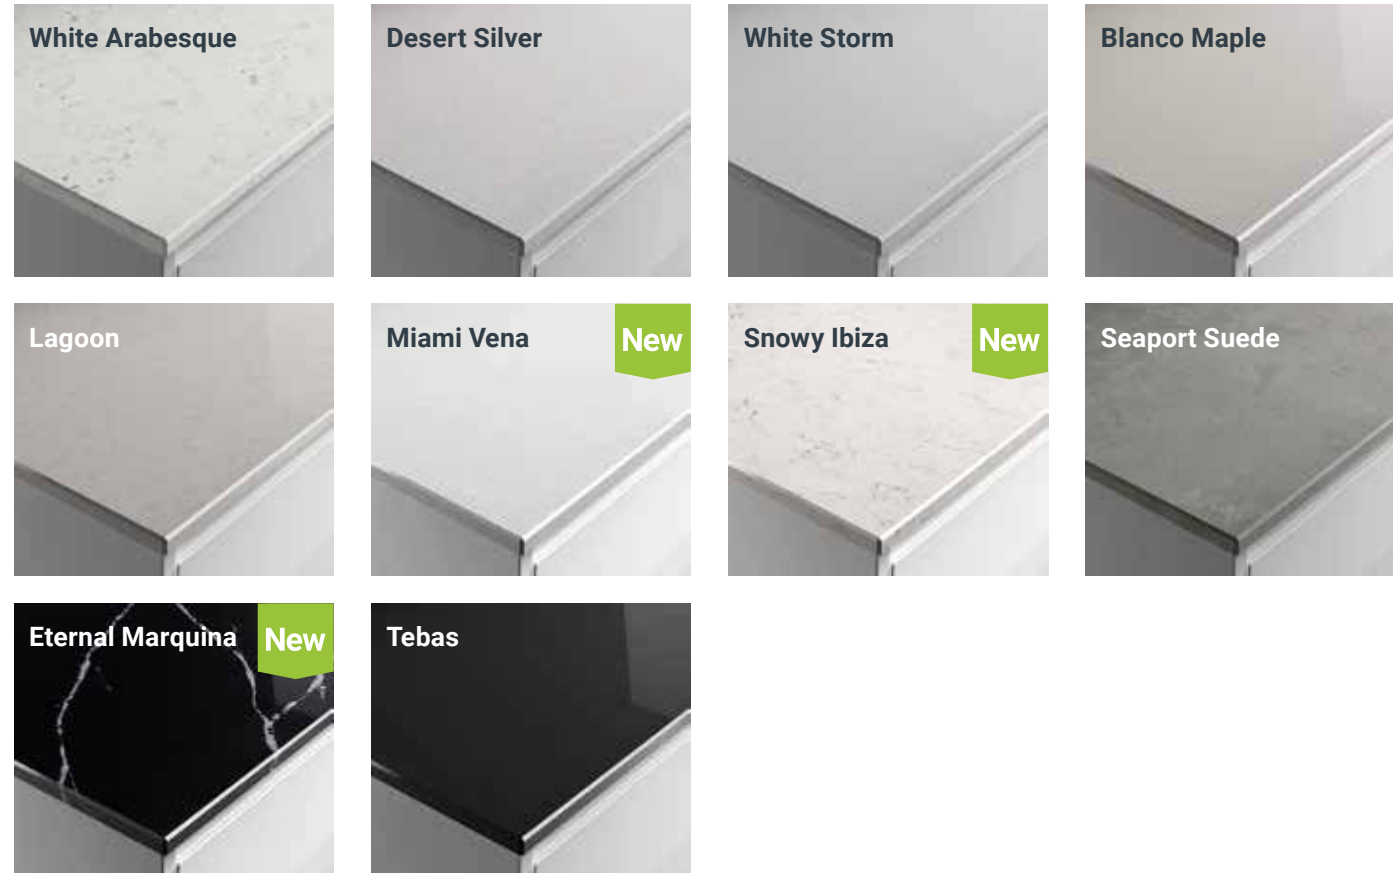

Quartz[®] available in 20mm and 30mm

An engineered stone made from 93% quartz and 7% polymer resin, to give consistent colour and finish which is retained over the years with minimal upkeep.

Silestone® Quartz® available in 20mm and 30mm

Creates the look and feel of granite but provides a more solid colour, with options for mirror flecks, natural stone and concrete effects.

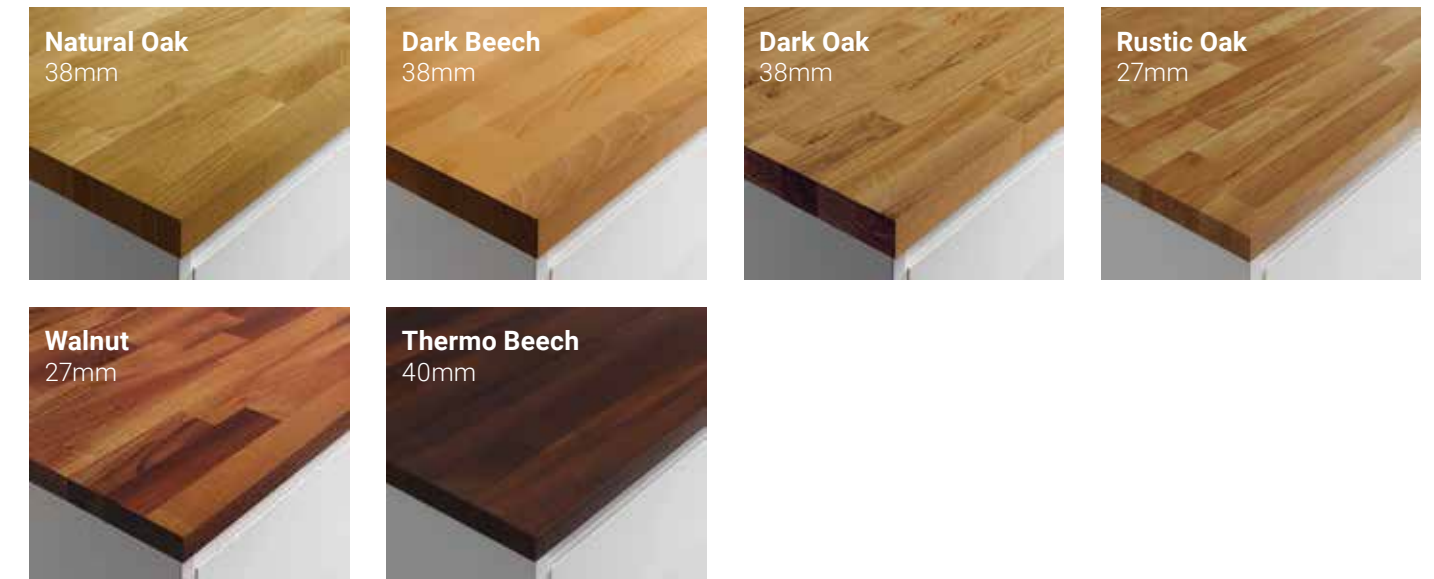

New Ultra HD Quartz

Ultra HD quartz combines the quality and technology of quartz but with the benefit of a high definition patterned surface, that replicates the intricate veining of natural stone to create a striking appearance that can be consistent across both worktops and splashbacks.

Solid timber

Hardwood staves joined, oiled, and finished with antibacterial, water-repellent and smooth finish.

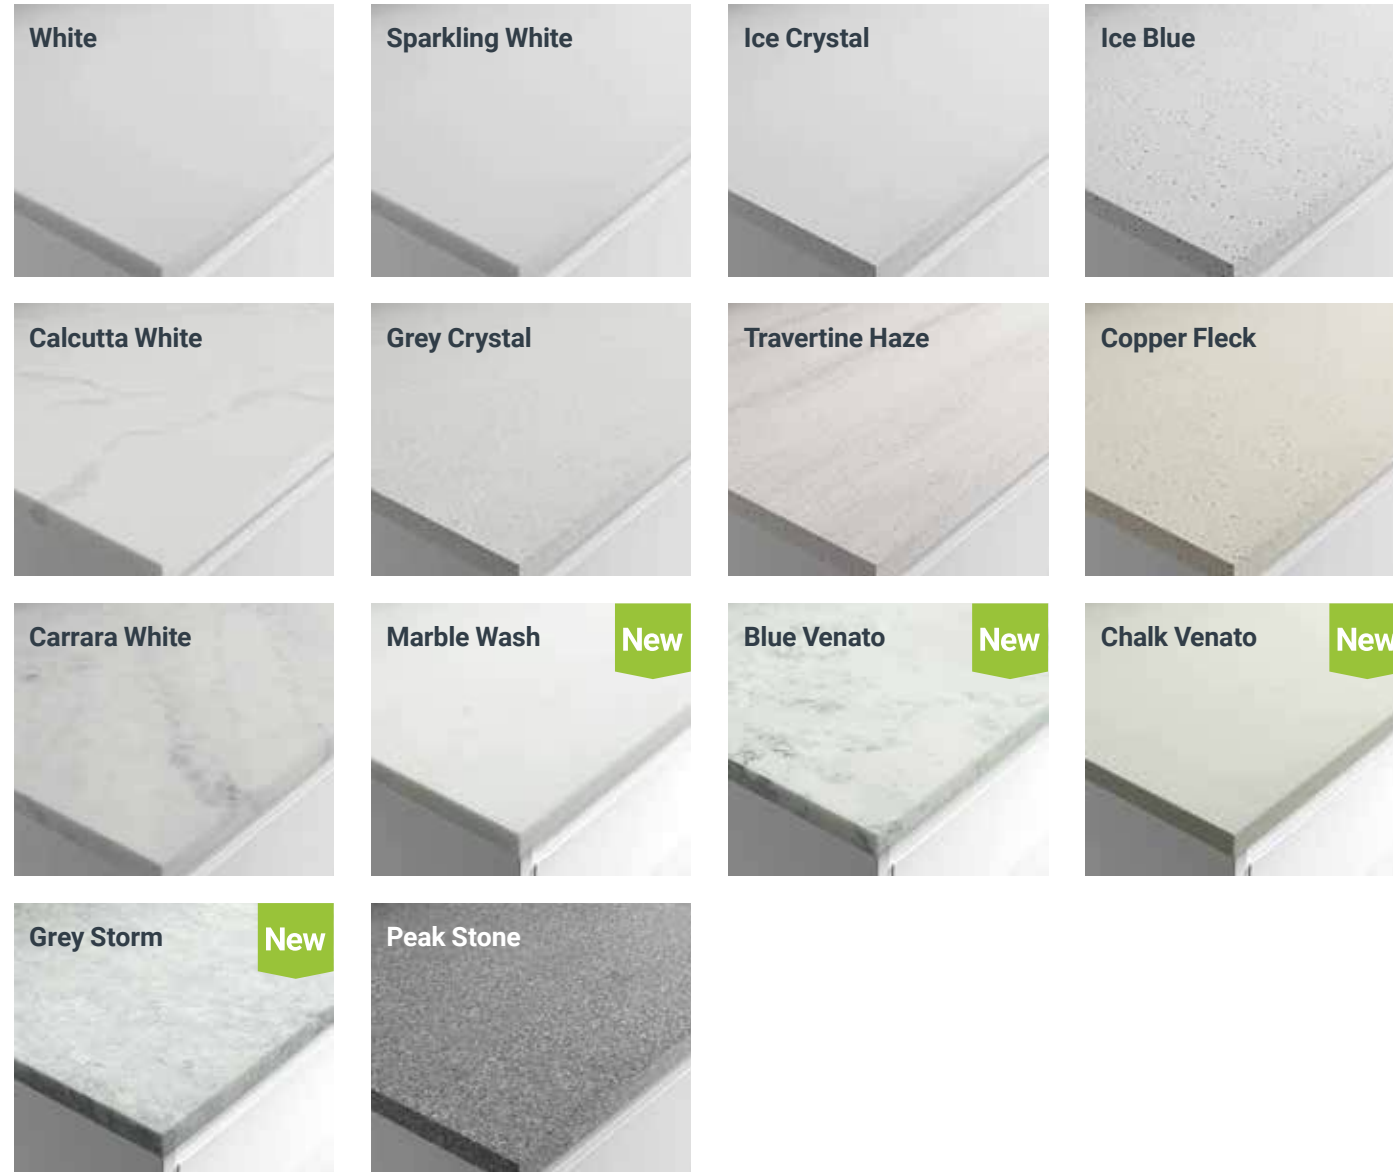

Maia® available in 28mm

Maia® worksurfaces offer style, durability, and innovation as a cost-effective alternative to natural stone. They boast a silky-smooth finish and seamless joints for a luxurious finish.

Minerva® available in 25mm

Practical, solid, and 25mm thick with consistent colour throughout. Minerva offers a luxurious look, seamless joins, and complete design flexibility.

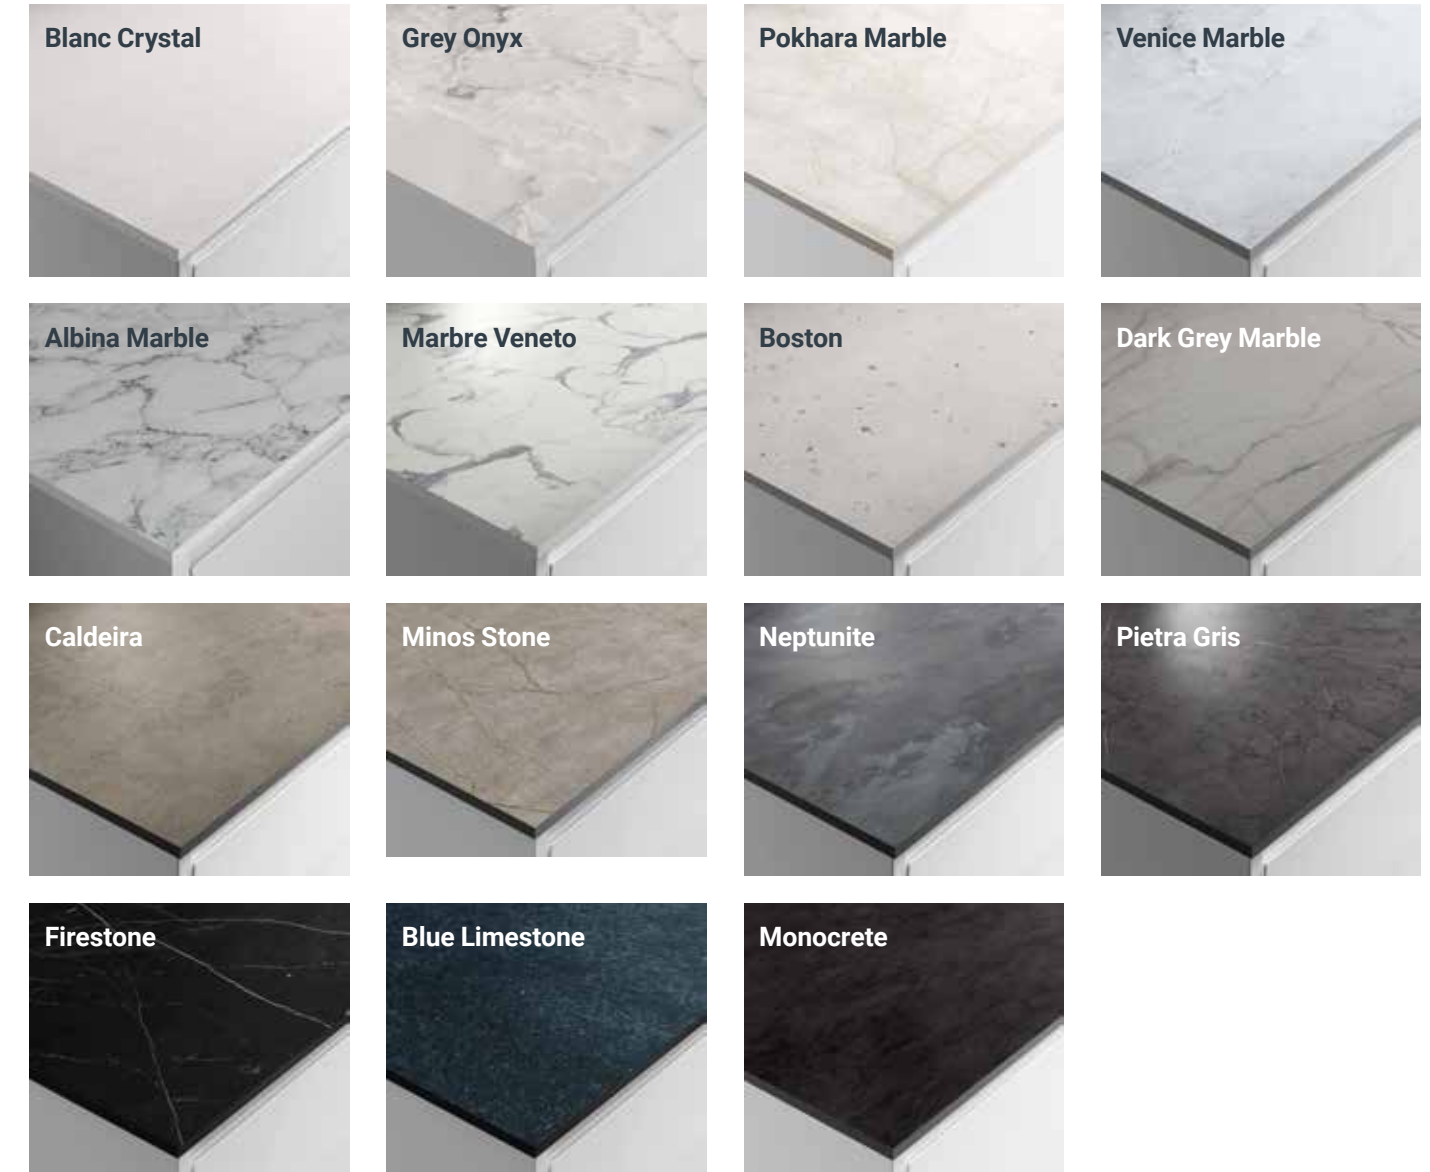

Metzo® available in 20mm

Practical, solid, 20mm thick with consistent colour, offering a luxurious look, seamless joins, and full design flexibility.

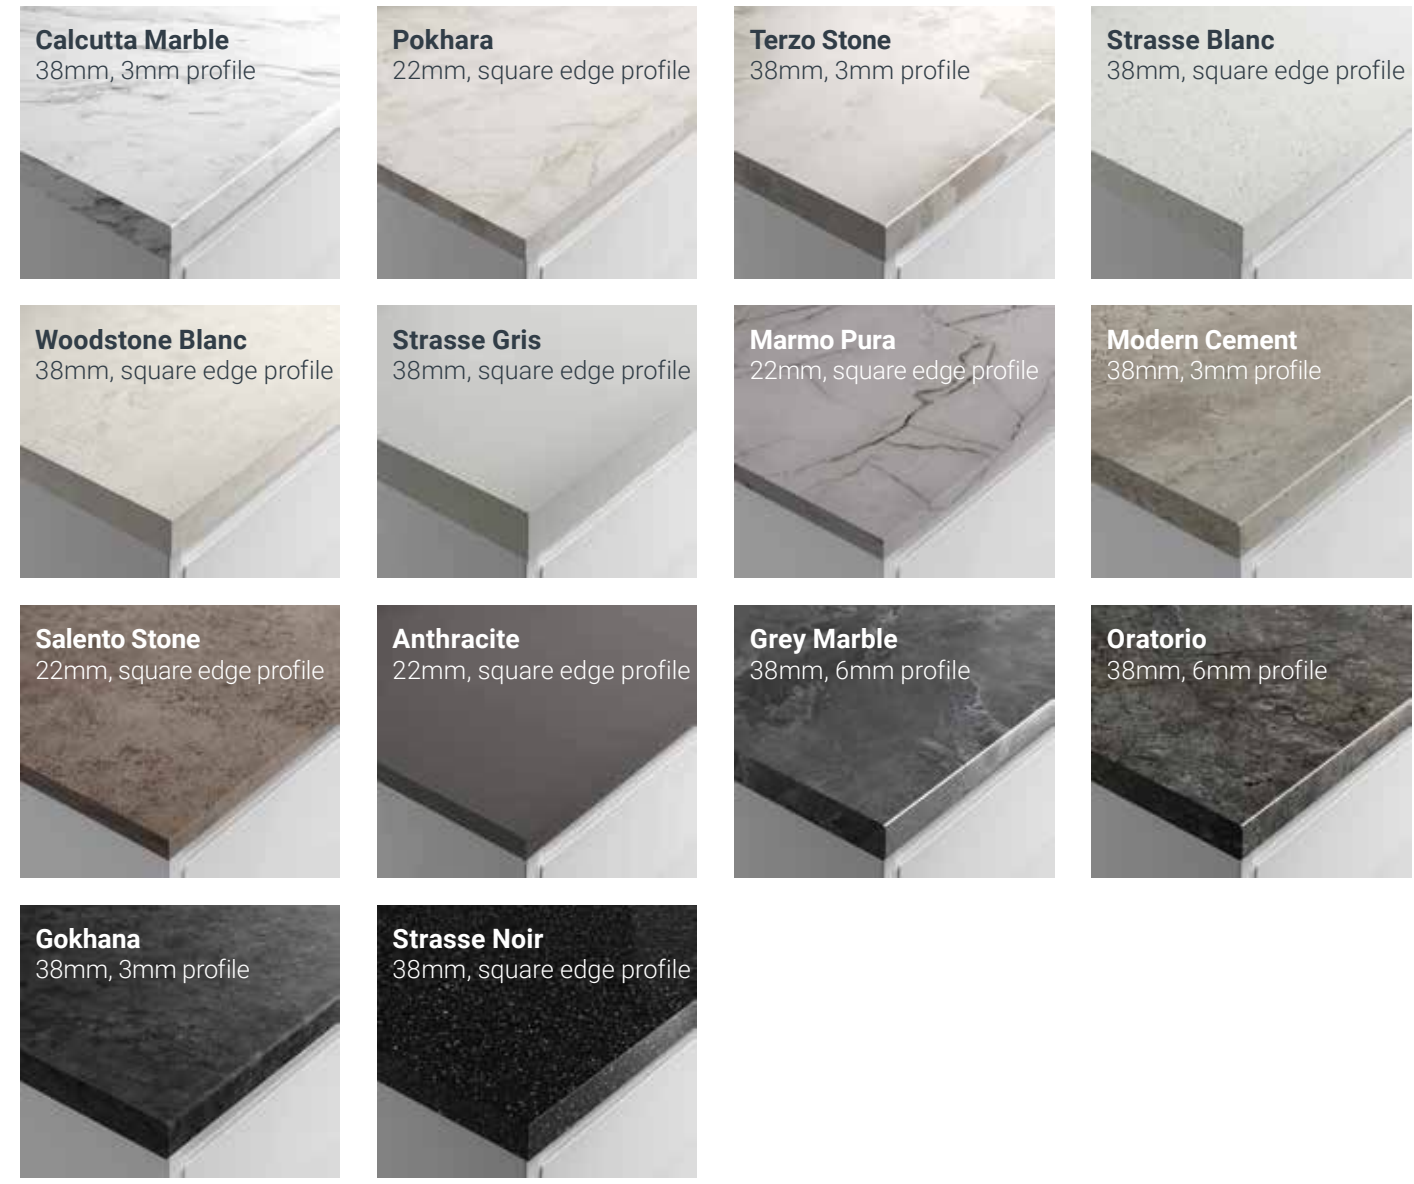

Compact laminate available in 12.5mm

Compact worktops are super slim, super tough and 100% waterproof, so they look and perform like stone or ceramic without the long and expensive fitting process.

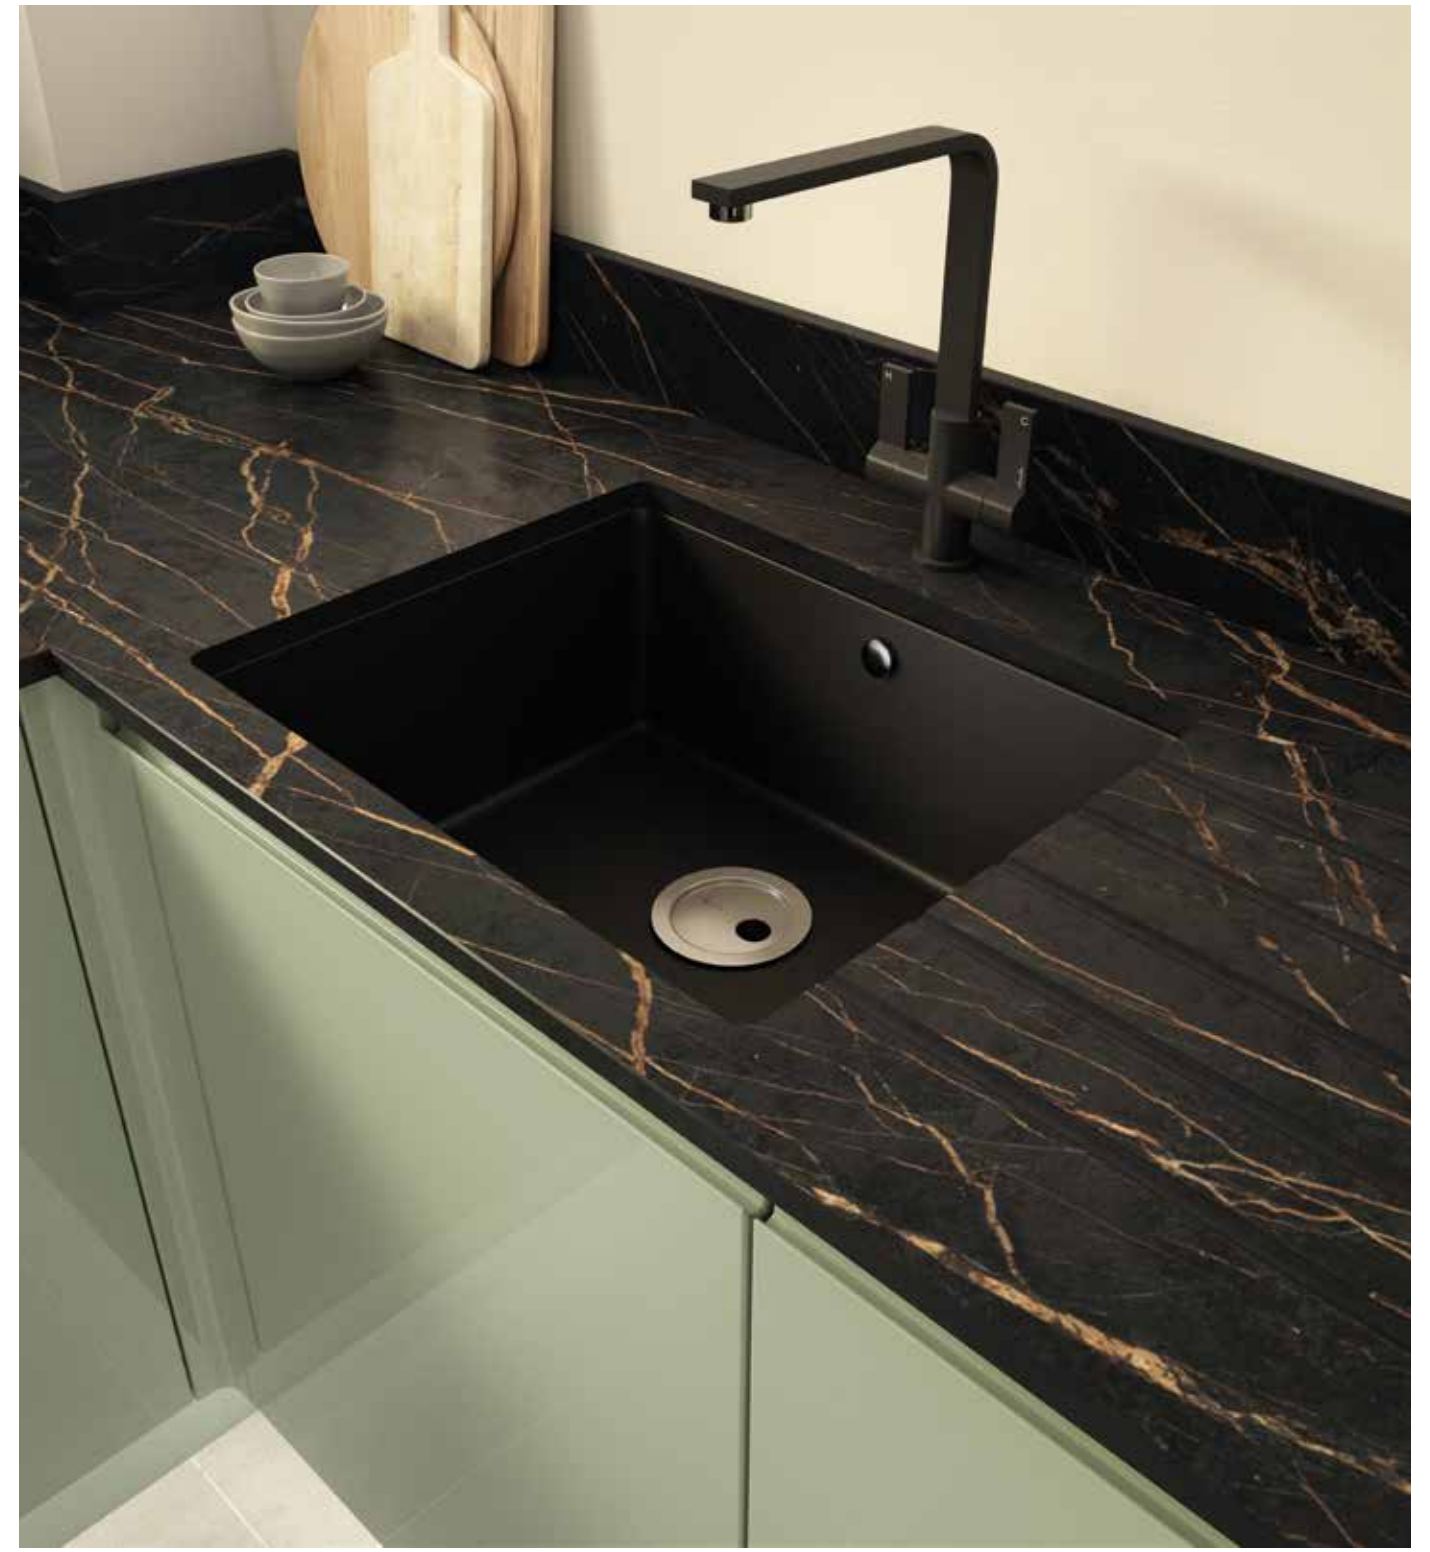

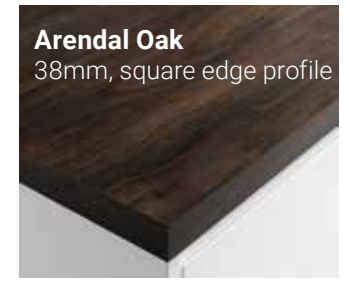

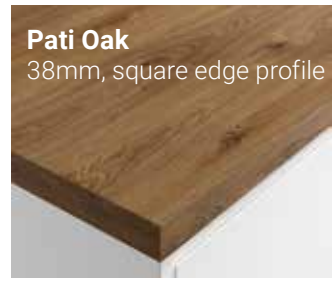

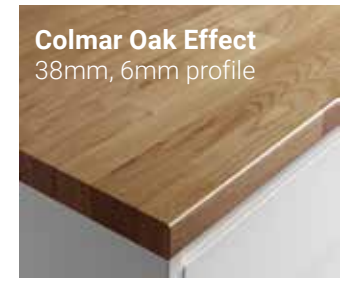

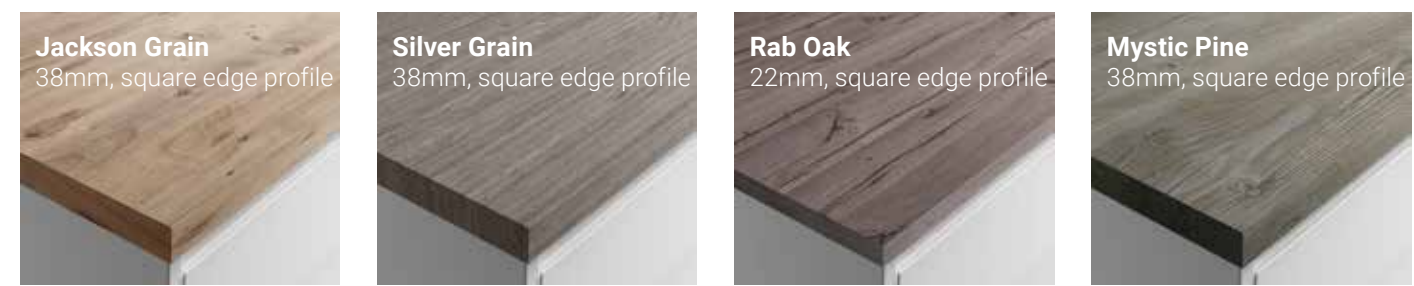

Laminate

In wood, stone, quartz and marble effects, laminate worktops are a great way to create a realistic finish at an affordable price point.

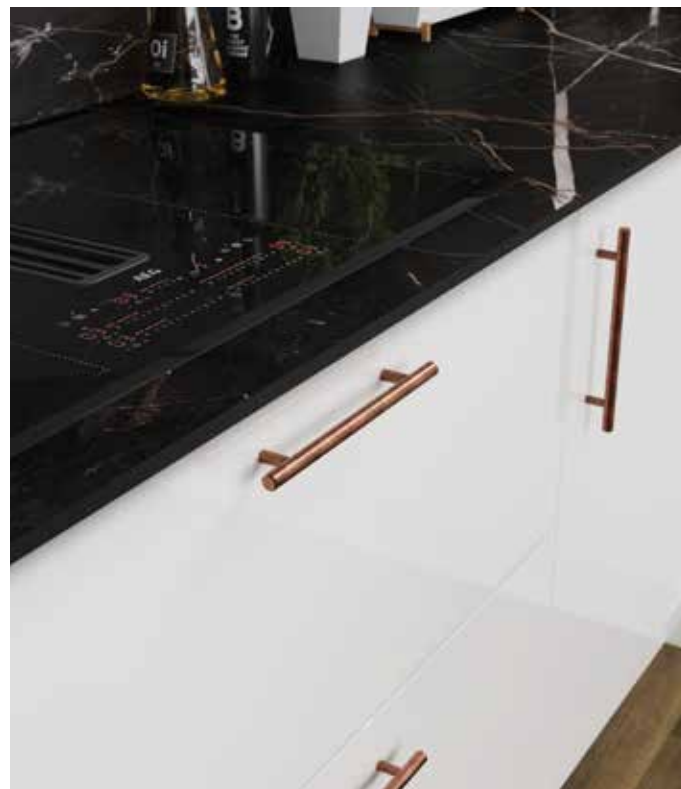

Wood effect laminate

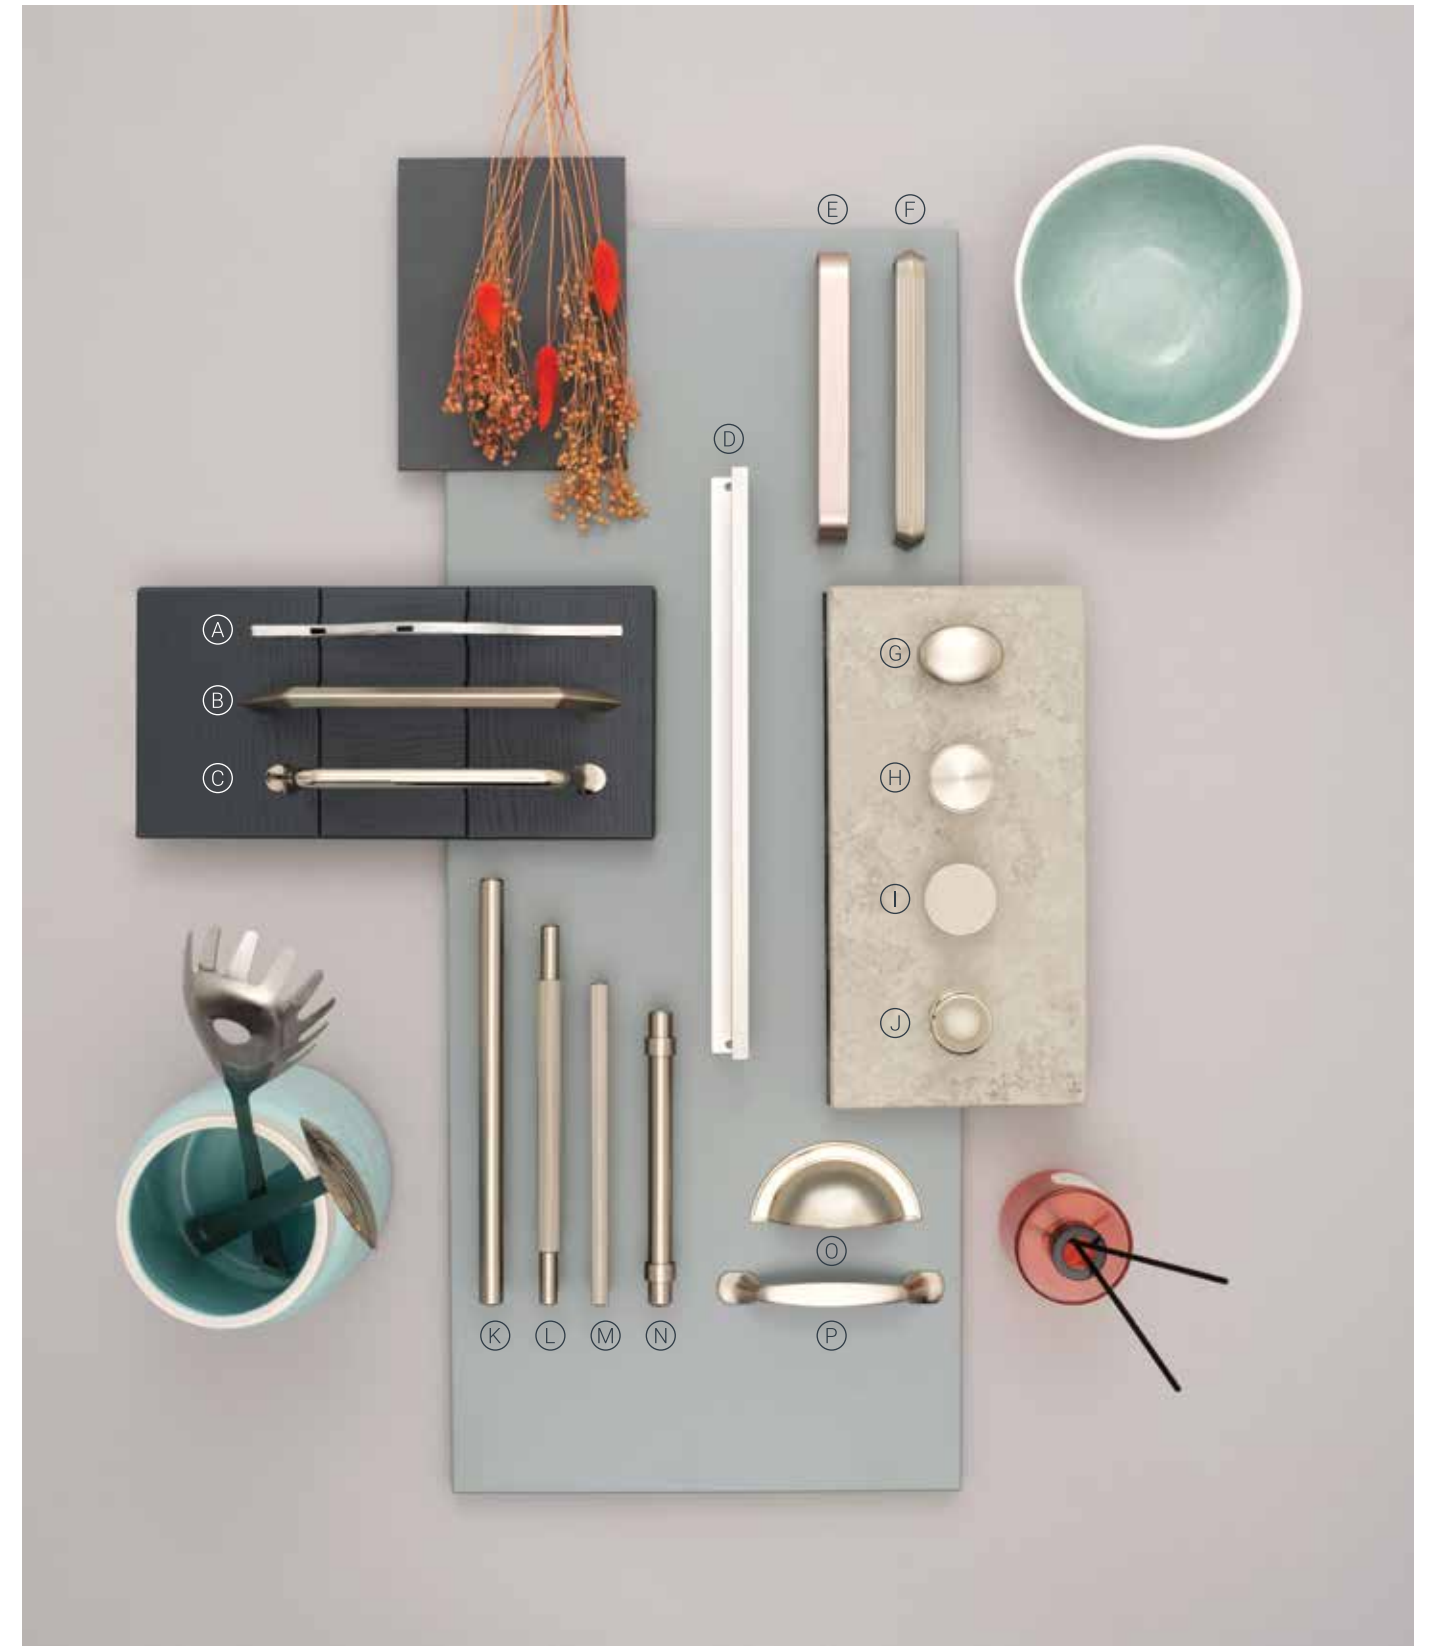

Handles

Any of our slab or shaker doors can be paired with any of our handles, cups and knobs. Your choice of handle can influence the style of your kitchen, whether traditional or contemporary.

Waste disposal

A convenient, hygienic, safe to use and environmentally responsible alternative to composting. An InSinkErator® food waste disposer allows food waste to be dealt with quickly and hygienically. Leftovers from food preparation or meals are ground into fine particles and simply rinsed away.

✓ **Safe and easy to use**
No blades or knives

✓ **Practical**
No food caddy on the work surface

✓ **Convenient**
Quiet and quick

✓ **Instant**
Food waste is ground into fine particles that are flushed away through standard plumbing

✓ **Hygienic**
From chicken bones to fish – no more food waste in the rubbish bin

✓ **Easy to install**
Fits most kitchen sinks

Quooker PRO3 Fusion Square 281517

Quooker®

Unlike other taps on the market, Quooker is the only tap that dispenses true 100°C boiling water, meaning it is the only appliance that can directly replace a kettle.

With a Quooker tap you can get hot, cold, boiling, chilled filtered still and chilled filtered sparkling all from one tap.*

Quicker

No more waiting for the kettle to boil.

Water saving

Use only the water you need.

Cheaper

Energy efficiency means lower bills.

Cleaner

Quooker's tank filters out most impurities.

Tidier

With no kettle, there's more space on your worktop.

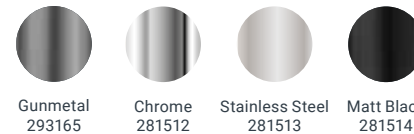

Safer

Unlike a kettle, Quooker won't tip over.

Great kitchen report

We've surveyed over 2,000 UK homeowners and gathered insight from our kitchen Design Consultants as well as external sources such as Design and Cultural historian, Deborah Sugg Ryan to find out what people look for in a kitchen.

Family Hub

56% of Brits say that the kitchen is probably the most important room in the house with it needing to work harder than ever before.

Vintage Trends

1 in 5 25-34 year olds describe their kitchen style as "vintage" with entries being top of the wish list to include. Over a quarter also said they wanted an island.

Animal Magic

75% said it's important their kitchen caters for their pet. From easy clean doors that are scratch resistant to integrated feeding stations, we'll take your lead.

*Over 45,000 views as of 17/07/24

“ Recommended by family member to visit Wickes after they had Wickes kitchen purchased delivered and fitted. We did go very helpful kitchen sales showed different colours etc for units we liked chose flooring and arranged delivery and arranged for fitter to visit home to measure etc have been given start date for new kitchen.

H Camper”

“ Wickes was a great choice as supplier of our new kitchen. Our design consultant was superb and his advice and guidance was informative and empathetic. The financial deal offered by Wickes is to be applauded and instrumental in enabling our purchase. All dates agreed were met and our customer service contact was efficient and helpful. The fitters worked hard and with skill and care to construct the kitchen and kept us involved and were always willing to consult. Overall we would highly recommend Wickes.

Ian M”

“ This is the 4th time visiting our local store and our Design Consultant has helped every step of the way, making this an effortless experience. He designed the kitchen to both maximise space and aesthetics, providing feedback and guidance tailored our requirements. An amazing service overall and would highly recommend.

Trevor R”

Plinth heaters

Our selection of plinth heaters are the perfect space-saving solution for keeping your kitchen warm without the need for a bulky radiator. Installing a plinth heater means you can enjoy the benefit of additional space for cupboards and worktops. With an electric option available or a model that easily connects to your central heating system, they deliver ample heat to keep your kitchen warm.

Plinth Heater
Heat outputs up to 2kW
143846 Stainless Steel (central heating system)
143845 Stainless Steel (electric)

Appliances

Wickes appliances make completing your kitchen a breeze. We remove the need for shopping around, and our Design Consultants can customise designs, whether you prefer integrated or freestanding appliances, regardless of your kitchen's size or your budget

Our diverse selection offers great value and state-of-the-art technology by market-leading brands such as:

SAMSUNG

AEG

ZANUSSI

Invented for life

The easy way to healthy cooking results.

With their impressive technology, elegant design and crystal clear TFT touchDisplay, Bosch Series 8 ovens meet every need and more in the kitchen. The intuitive Digital Control Ring engraved into the glass with TFT touchDisplay, provides convenience and functionality with full control over your cooking at all times.

Including innovative features such as the Air Fry Function for healthier, tastier and more crispy meals with hardly any oil. Not forgetting the Oven Assistant to suggest the most suitable settings or programmes and switch directly to your selection – pure convenience.

Model shown: HBG7741B1B

Take your kitchen to the next level

Find out more about some of the latest technology in our appliances to help make your life easier in the kitchen, providing great results and saving energy.

Steam cooking

Adding steam creates more intense heat and humidity to keep your food moist on the inside and crispy on the outside. Perfect for baking and roasts.

Available across AEG, Samsung and NEFF.

Pyrolytic cleaning

Save yourself time with a self cleaning oven. Pyrolytic technology allows the oven to reach up to 500°C, turning dirt and grease to ash. This effortless cleaning is perfect for busy homes.

Available across AEG, Samsung, NEFF, Bosch, and Zanussi.

SenseBoil

No more saucepans boiling over. A sensor on the hob detects rising bubbles and automatically adjusts the temperature settings, reducing it to a controlled simmer.

SenseBoil is available on selected AEG and Zanussi hobs.

Steam Clean

Be kinder to your clothes that don't need a full wash, instead give them a steam refresh. This refreshes odours and reduces wrinkles, including delicates, in just 25 minutes. It also uses just 2L of water, compared to some cycles that can use up to 150L.

Available on selected AEG.

Fresher food

With precise temperature controls and two separate air flows circulating around the fridge and freezer, your food can stay fresher for longer without drying out, helping to minimise your food waste.

Available across AEG, Samsung and Zanussi.

Air dry

Let your dishwasher dry your dishes in the most natural and energy efficient way. During the final stage of the cycle the door automatically opens a small amount, letting the steam out and allowing for air to circulate so that everything dries perfectly.

Available across AEG, Samsung, NEFF and Zanussi.

Ovens

Whatever your style of cooking, we offer innovative technology and designs to suit your lifestyle and decor.

Steam cooking

Cooks more evenly and enhances flavours and textures by preserving more of your food's nutrients. Delivers heat more effectively so you can cook at lower temperatures.

Multifunction cooking

Combines all the benefits of grill, fan, conventional or microwave cooking into one single oven – perfect if space is at a premium.

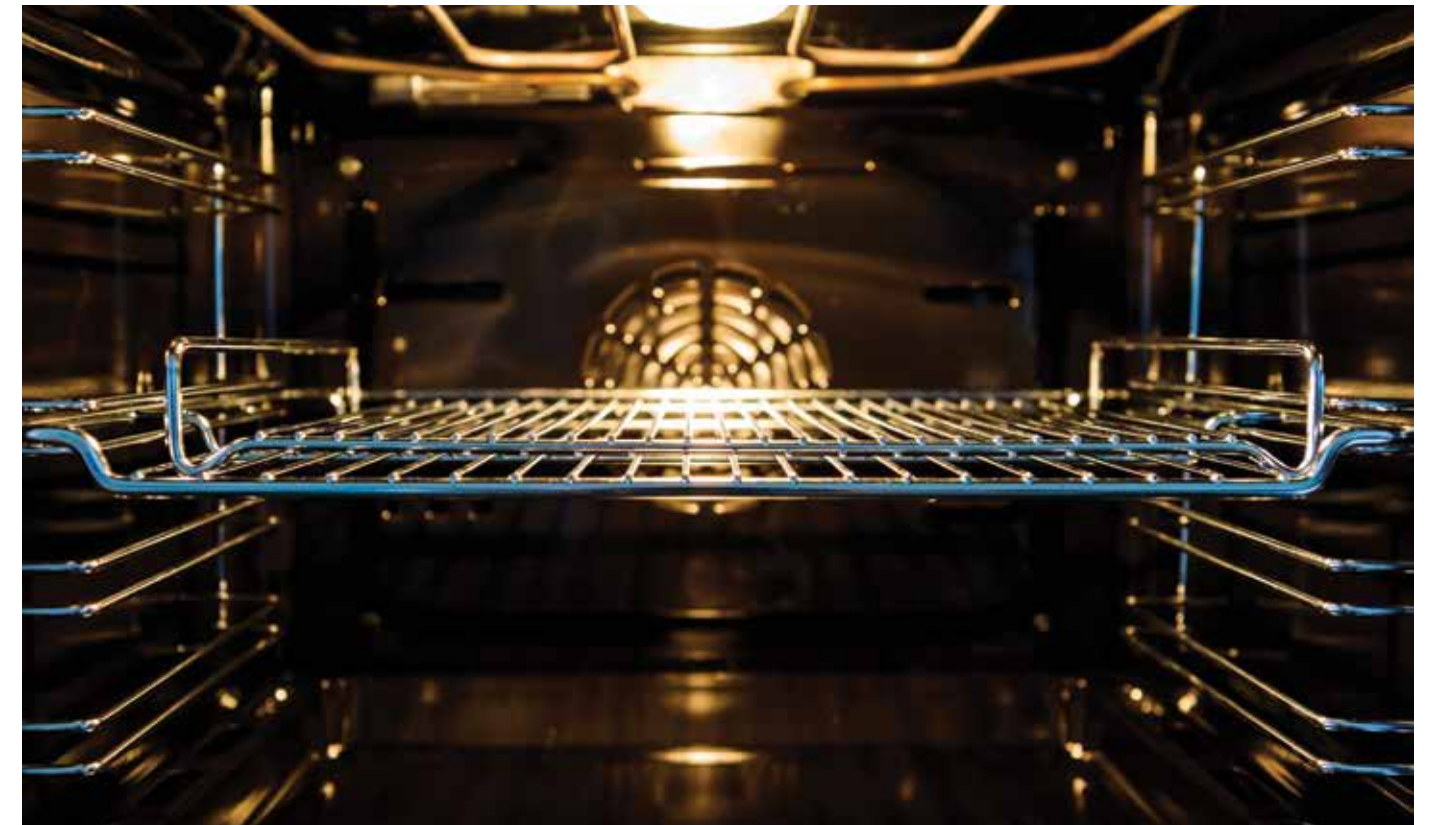

Fan cooking

Distributes heat more evenly so you can cook using lower temperatures and more quickly, saving you money and time.

Cleaning

Steam cleaning

A special pre-set programme helps you to loosen food residue inside the oven for easier cleaning.

Self cleaning catalytic liners

The special coating on these catalytic-lined cookers and ovens oxidises grease and residue when heated to 200°C, meaning you can clean as you cook.

Pyrolytic cleaning

This is a self-cleaning programme that heats the oven up to 500°C whilst safely locking the door during the session. Food residue is turned to ash for you to simply wipe clean.

Easy cleaning enamel

Smooth enamel lining makes it quick and simple to wipe away grease and spillages from the oven's interior.

Compact appliances

Create a perfect workspace within your kitchen using our range of compact appliances. These can be horizontal, vertical or a group of four or more.

Compact ovens & microwaves

Powerful performance in a small design. This range offers the same great cooking performance and range of features as the full size equivalent.

Coffee machines

Enjoy the luxury of authentic Italian espressos and creamy cappuccinos in your own home with these stunning additions to your kitchen.

Warming drawers

Our warming drawers will keep your dishes at the perfect temperature, ready to bring to the table.

Hobs

From gas to induction, our hobs offer their own benefits and features with various burners and cooking zone options.

Induction

Induction technology is the fastest, safest and most energy efficient way to cook on a hob, heating the pan directly with no pre-heat required.

Dual fuel

Get the best of both worlds with our dual fuel hob. Choose whether to use gas or electric to get your cooking just the way you want it.

Gas

A traditional choice that provides controlled cooking with instant heat and flexibility. All gas hobs feature flame safety devices for your peace of mind.

Hoods

Functional and stylish, hoods can add a unique focal point to your kitchen or be seamlessly concealed to save space.

Combi

Save space in the kitchen by installing a hob with the extractor built in.

Island

Make your island the real focus of the kitchen by complementing it with an island hood, combining the practicality of a hood with the elegant design statement of a centrepiece light.

Designer

Streamlined and elegant, a designer hood will bring a bold and unique feel to your kitchen.

Chimney

From traditional to ultra-modern styles, these designs will create a stunning statement piece in your home.

Laundry

From seamless integrated washing machines to combined washer dryers, our range offers the latest technology while providing high energy efficiency.

Integrated washing machines

We have a wide selection of integrated washing machines to suit your needs.

Washer dryers

These space-saving models are a standard built-in size, but they can still wash large loads and dry items up to 4kg.

Freestanding washing machines

Freestanding washing machines can give you design flexibility whilst increasing load capacity.

Dishwashers

Our range of dishwashers are available in standard and slimline to suit all spaces.

Slimline 45cm

If you need to save space in your kitchen, the slimline is perfect – and you won't lose any of the functionality or energy efficiency of a 60cm.

Standard 60cm

These dishwashers are ideal for a larger capacity, flexible racking and have a number of specialist programmes that deliver great results.

Cooling

Our wide range of cooling appliances includes different designs, benefits and features by market-leading brands NEFF, AEG, Samsung and Zanussi.

Fridges

Discreet integrated fridges with options in various sizes & capacities.

Freezers

Frost free and energy saving models available.

Fridge freezers

Keep your food and drinks fresh with one of our standard fridge freezers. Integrated for a seamless look.

Wine coolers

Optimum storage ensures your wine tastes better for longer by protecting it from heat, light and humidity.

Rangemaster

Rangemaster is synonymous with design, innovation, quality, performance and reliability. Rangemaster made the world's first range cooker in 1830 on the very same site in Royal Leamington Spa where they continue to design and manufacture all their 90, 100 and 110cm range cookers.

Style and choice

We offer a wide range of styles, sizes and fuel types making it easy for you to find the perfect Rangemaster for your kitchen.
