PRIZE INFORMATION

16. Prizes are strictly non-transferable and must not be sold, auctioned or advertised for sale whether on the internet, in newspapers or elsewhere. Any person found in breach of these terms will be disqualified and the prize withdrawn. No alternative prizes will be available in whole or in part, except in the event of circumstances outside the reasonable control of the Promoter, whereby the Promoter reserves the right to substitute any or all of the prizes with prizes of equal or greater value. The prizes will only be awarded directly to the winners.
17. In the event of circumstances outside the reasonable control of the Promoter, or otherwise where fraud, abuse, and/or an error (human or computer) affects or could affect the proper operation of this promotion or the awarding of the prize, the Promoter reserves the right to suspend or cancel the promotion or amend these Terms and Conditions, at any stage, with no liability to any entrants or third parties, but will always endeavour to minimise the effect to entrants in order to avoid undue disappointment.

WINNER SELECTION AND NOTIFICATION

18. Tier 1 prizes will be awarded via an independent computerised process. The prizes are pre-allocated via an open winning moments algorithm created by an independent third party. The process will identify random times as “winning moments” and the first valid winning entry received on or after such “winning moment” will be awarded a prize at random. If two entries are received at the same time, the entry processed by the server first will be the winning entry. Any prizes not won before the next winning moment will remain available until the next entry. There is no guarantee that all prizes will be claimed.
19. Receipts/invoices will be validated within 7 days of entry. A text message will be sent to the mobile number provided on the entry form, either confirming a win or notifying the entrant that their entry has failed validation. If the entry is successfully verified, the entrant will receive a unique link to participate in a Wash & Win game, where the prize will be revealed.
20. Where receipts fail validation and do not meet the criteria for entry outlined in Clause 8, the entry will be disqualified. A rejection text will be sent to the participant, outlining the potential reasons why. If there is reason to believe that the receipt or invoice is valid, entrants may be prompted to upload the receipt or invoice again, and it will be subject to the same entry criteria outlined in Clause 8. Please note that if the entrant fails to resubmit the receipt or invoice on or before 30th June 2025, their entry will be invalidated.
21. If an entrant/winner is disqualified for any reason, or if a winner fails to claim the prize within the 14 day period (see PRIZE REDEMPTION section below), the Promoter reserves the right to withdraw the prize and draw a new winner in a wrap-up draw that will be conducted after the main promotional period on 30.07.2025. Note that the wrap-up draw will only include Tier 1 prizes listed in clause 15 that have been withdrawn or unclaimed. All entries will be subject to validation and confirmation as per the main promotion. All valid Tier 2 prize winners will qualify for the wrap-up draw and prizes will be awarded using a computerised algorithm. Winners will be contacted via text within 7 days after the wrap-up draw and will have 14 days to accept their prize by providing their details as per clause 23 and 24.
