

ZEE6140FXK BI Hob

A great starter hob for just about anyone

This solid-plate electric hob is perfect if you're looking for an easy, no-fuss cooking appliance, and it offers outstanding value for money as well!

Reduce your worries about kids in the kitchen!

This hob's control knobs are located on the side, where it's much more difficult for little fingers to get to them. Safer for kids, less stress for you!

More flexibility in hot-plate cooking

The two different-sized hot plates on this hob are suitable for pots and pans with a variety of dimensions, for easier and more flexible cooking.
