Important Information

Caution: Some pieces of hardware could be hazardous to small children. Keep all these items out of reach and do not leave children unattended in the assembly area.

Please read these instructions carefully before proceeding. Some of the units are quite large and may have to be assembled in the room where they are to be installed.

Note: Due to variation in wall conditions no screws are supplied for fixing the units to the wall. If in doubt consult an expert. Assemble the unit on a clean solid work surface. Screws for joining cabinets together are not supplied.

In the interest of continuing improvements we reserve the right to amend or adjust the specifications without prior notice. Errors and omissions excepted.

These units have been designed to give you years of pleasure and satisfaction. You can help to maintain the original beauty of your kitchen by following these guidelines.

Cleaning: Any spillage, even water, should be removed from the surface immediately. Remove any marks with a soft damp cloth and mild household detergent. Wipe over with a damp cloth to remove any excess moisture and dry with a soft, clean cloth. Do not use solvents, abrasive cleaners or pigmented glass cleaners.
