

**STORED &
SECURED.**

MOBI

Part No: S10850

DROP & DOCK.

One simple job always leads to another, but the Mobi keeps you mobile and your tools secure.

Move between jobs using the lockable docking station and make short work of every task, every time, using the right tool - no more back and forth.

Highly secure - including the reinforced lid and Vaultlock™ locking system - means you can get on with the job.

The Mobi is certified by Sold Secure and Secured by Design, the UK's Police preferred specification.

CONSTRUCTION

- Built with a 2mm steel construction with fully phosphated anti-corrosion protection.

HANDLES

- Bolt-on lid handle designed to shear off if attacked.

VAULTLOCK™

- Fitted with highly effective 70mm anti-pick, anti-drill and anti-rust stainless steel disc lock.
- Positioned deep within the body of the box, protected by a hardened steel plate.
- Supplied with 3 keys.

ACCESSIBILITY

- Wide mouth drop front for greater access and visibility of contents inside.

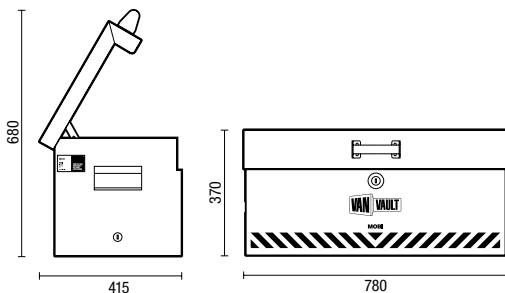

LID

- The flush front lid protects against attacks with crowbars or car jacks.

INSTALLATION

- 4 reinforced fixing points for easy installation to the vehicle floor - instructions & bolts supplied.
- Secures to mountable base plate.
- Pre-drilled fitting points for optional castors.
