

STORED & SECURED.

SLIDER

Part No: S10870

SAFE TOOLS. QUICK ACCESS.

Stay organised for every job with the Van Vault Slider.

A flexible alternative to the traditional box product, this high security drawer adds extra depth to your tool storage setup. Constructed to take the weight of other equipment - means you can stack on-top and not lose any valuable van space.

Fix the Slider to the rear or side of your van and your kit is ready to grab whenever you need it.

Robust security features mean thieves leave empty-handed. Load it, lock it and get on with the job at hand.

The Slider is certified by Sold Secure and Secured by Design, the UK's Police approved standard.

CONSTRUCTION

- Built with a solid steel body with fully phosphated anti-corrosion protection.
- Reinforced slip resistant top designed to take loads e.g. pallet & materials
- Heavy duty roller bearings combined with full drawer runners provide a smooth drawer action.
- Drawer will carry 300kg

INSTALLATION

- Floor mounts between wheel arches.
- Pre-drilled fixing points for easy installation to the vehicle floor and to other Van Vault products - instructions & bolts supplied.

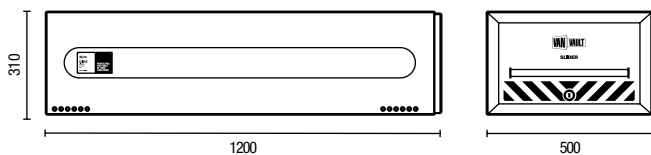

VAULTLOCK™

- Fitted with a highly effective 70mm anti-pick, anti-drill and anti-rust stainless steel disc lock.
- Positioned deep within the body of the drawer, protected by a hardened steel plate.
- Supplied with 3 keys.

ADDITIONAL FEATURES

- Dividers are available as an optional extra.
- Steel grip handle for easy opening.
