

### Every glass flawless. No handwashing required

The GlassCare System in the advanced AEG dishwasher offers specialist care for glassware throughout the cleaning process. The unique SoftGrip feature ensures that the stem and foot of every glass are held gently but firmly in exactly the right position throughout the duration of the programme.

## Product Benefits & Features

### Each glass. Positioned for protection

The GlassHolder feature in AEG dishwashers provides complete safety for all glassware. The lower rack is equipped with SoftGrips and SoftSpikes, which are specifically designed to hold glasses in place. Preventing damage from occurring in each cycle.

### Powerful dishwashing. With SatelliteClean®

Experience impeccable dishwashing with SatelliteClean®. This spray arm has three-times better coverage than the standard. Because the double rotating arm constantly changes the angle of the spray. Water reaches every corner. For a complete clean.

### Effortless cycle-setting with QuickSelect

QuickSelect offers optimal control over the dishwasher. Choose the cycle time with the slider and add extra treatments with a tap. Then the machine will do the rest. Get tailored cleaning delivered at a time that suits. And spotless dishes.

- Energy efficiency (2010/30/EC): A++
- Installation: FI
- Loading capacity: 13 IEC settings
- Noise level: only 44 (dB(A) re 1 pW) (2010/30/EC)
- Water and energy consumption: 9.9 l, 0.921 kWh for program Eco 50
- 7 programmes, 3 temperatures
- Dishwasher programmes: 160 Minutes, 60 Minutes, 90 Minutes, AUTO Sense, Eco, Machine Care, Quick 30 Minutes
- Text/symbol panel
- Panel with symbols
- Touch control for programs and functions selection
- Auto Off function
- Thermo Efficient Technology
- Warm water connection up to 60°C
- Delay start option from 1 to 24 hours
- Remaining time indication
- Water sensor detects the level of dirt and adjusts water consumption
- Indications for salt and rinse aid
- SpotControl with 2 colours
- Height adjustable upper basket, even when fully loaded
- Upper basket with 2 Red softspikes, Foldable cup shelves, Plastic coloured handle
- Lower basket with 2 foldable plate racks, GlassHolder, Plastic coloured handle
- Cutlery basket
- AQUA-CONTROL
- Built-in H(min/max)xWxD (mm): 820/880 x 600 x 550

### Drying naturally

The new Airdry technology lets you maximise your drying performance with natural airflow. The door automatically opens up 10 cm when the cycle is in the last stage and the dishes are done. It dries your dishes naturally while also reducing your energy costs.

### At-a-glance check

This dishwasher has a clever way to keep you fully up to date with the status of your dishes. Its beam-on-floor technology projects a red light onto the floor while the cycle is still in progress. And when everything is ready to unload, it switches to a green one. Simple, and effective.

### Product Specification

Product Installation	Built_In	Width mm	596
Product Typology	Full_Width(60cm)	Depth mm	550
Product Classification	Performance	Tub material	Stainless steel
Installation	FI	Heating element type of	Interheater
Cabinet type of	60 FI SLIDING	Inlet hose type of	Aqua control
Panel colour	Black	Inlet hose length	150
Door colour	None	Water supply	Cold or hot
Side walls colour	Rough zinc coated	Anti-flood device	Floating switch
Type of timer min.	Level 2	Drying system	AirDry Technology
Push button functions	Delay start, GlassCare, On/off, Program selection, Reset, XtraPower	Softening regulation	10 steps
Knob/Command functionality	No	Top spraying level	None
Programmes number of	7	Lower spray arm	Standard
