

### Quick heating and even cooking

The Series 20 FanCook Oven circulates hot air heat with its fan and ring element. Air is continuously moved around in the oven cavity, to make sure that dishes can be cooked on different level at the same time

## Product Benefits & Features

### Evenly cooked results, on any level

Get perfectly even oven results with Multilevel cooking. An additional heating ring promises even cooking across all three levels. Which is great for cooking more favourite dishes at the same time.

### Touch to time every meal / Perfectly timed meals with LED display / Time taken care of

Keep track of all your dishes with the LED timer display. Setting exact cooking times is straightforward with the touch-activated fields. Making it easier than ever to juggle a few different dishes at once.

### Convection oven, for Even Cooking

The hot air generated inside the oven during cooking is moved around with a fan, so all your dishes receive the same amount of heat. This lets the oven heat up faster, which means you'll get the same results using 20% lower temperatures, saving time and using less energy.

### Cook more at once with XL baking tray

An XL baking tray welcomes bigger dishes. Cook more at the same time for friends and family, and feel reassured it will all be ready at once.

### Anti-fingerprint coating, for hassle-free cleaning

Make greasy marks on the oven a thing of the past with anti-fingerprint coating. Your oven's stainless steel will always look it's best, with no need to wipe or polish.

- Built-in oven
- Multifunctional oven with ring heating element
- Large capacity oven: 0 L
- 5 shelf levels
- Oven energy class: A
- Oven cooking functions: Defrost, Fast grilling, Grilling, Light, Moist fan baking, True fan cooking, Turbo grilling
- Anti fingerprint stainless steel
- Oven cavity with 3 baking levels
- Electronic timer
- Retractable knobs
- Electronic oven functions overview: Acoustic signal, Duration, Minute minder, Time
- Halogen oven lighting
- High gloss enamel oven lining, easy to clean
- Easy to clean door
- Cooling fan
- Trays supplied with the oven: 1 Dripping pan grey enamel, 1 Trivet chromed
- Grids supplied with the oven: 1 Wire shelf chromed high

Product Specification

Product Installation	Built_In	Electronic Oven Control	SET (IEC60335-2-6 Amd.1)
Product Typology	BI_Oven_Electric	Feature Electronics	Acoustic signal, Duration, Minute minder, Time
Product Classification	Performance	Cooking function top oven	Fan, Grill, Grill + fan, Grill + top, Grill + top + fan, Light, Ring + fan
Type	Single	Cooking function bottom oven	No
Installation	BI	Height total	589
Size	60x60	Width mm	594
Oven Energy	Electrical	Depth mm	568
Cooking	Fan + Ring	Built in depth mm	550
Cleaning top oven	Easy To Clean Enamel/Pinned	Built in height mm	600
Cleaning bottom oven	No	Built in width mm	560
Nº of cavities	1	Gas category	No
Design family	Yellow	Frequency	50/60
Main colour	Stainless steel with antifingerprint	Voltage	220-240
Control Panel material	Metal Frame with Glass Inlay	Required fuse (A)	15
Type of doors	2 Glasses	Type of plug	No
Type of handle	Metal	Total electricity loading (W)	2790
Door type bottom oven	No	Max power grill - Top Oven	1700
Door hinges	Drop Down Equilibrated, Drop Down Removable	Grill element power - Top Oven	1700
Drawer	No	Ring element power - Top Oven	2400
Control lamps	Power on, Thermostat Indicator	Stand-by power Electrical - Top Oven	0.99
Hob control	No	Lamp power - Top Oven	40
Thermostat	Yes		
Type of timer min.	SET
