

TOPSLEEVE®

PIPE INSULATION UNIVERSAL SIZE

Produce code: **SPL-WRAP4**

**100mm x 7.2m of Universal
Pipe Insulation Wrap for
insulating existing and multiple
pipes of any size.**

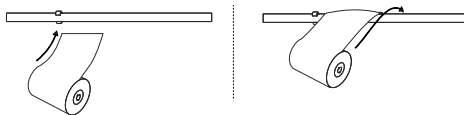

Material: Sheep Wool.

- 🐑 Natural sheep wool insulation
- 🔊 Acoustic insulation stops noisy pipes
- 🔥 Fire retardant
- ♻️ Recyclable after use
- ❄️ Protects pipes from freezing by insulating the pipe
- ⌒ Fits around corners and joints
- 🔧 Ideal for tight spaces and fits all pipe sizes.
- 🌡️ Prevents heat loss saving energy
- 💧 Reduces condensation by creating a 'thermal barrier'

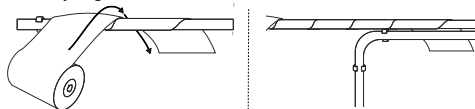

**Ideal for tight spaces and fits
all pipe sizes.**

**7.2m will cover
4 metres of 15mm pipe
and 3 metres of 22mm pipe.**

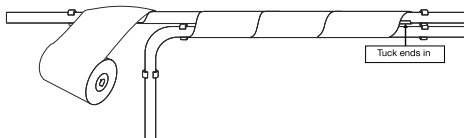

All figures are approximate.

Position universal pipe insulation to wrap around pipe and wrap in a spiral motion along the length of your pipe; overlaying by 50mm (50%) as you go.

Universal pipe insulation can also wrap multiple pipes at once as shown. When insulation has been completed, tuck ends behind pipes.
