

### The next level of fridge capacity

The MultiSpace 8000 fridge-freezer provides more capacity than standard designs by including additional storage into the top of the unit. And with an adjustable interior, this fridge is the most versatile way to preserve ingredients.

## Product Benefits & Features

### The next level of fridge capacity - MultiSpace

The MultiSpace fridge by AEG provides more capacity than standard designs by incorporating additional storage into the top of the unit. And with an adjustable interior, this fridge is the most versatile way to preserve ingredients.

### Adaptable for every taste, with CustomFlex®

Keeping all your fresh ingredients to hand is key to creating fresh, delicious dishes. With CustomFlex® you can organise your fridge storage just the way you want. Rearrange bins quickly and easily to maximise storage space. The fridge that adapts after your taste.

### All ingredients within reach. At every turn. With SpinView

Innovative fridge equipped with SpinView shelf which rotates 360 degrees in any direction. Smart solution for quick visibility to everything with just a turn. No rearranging or searching, just immediate access to every chilled ingredient.

### TwinTech® with No Frost. Keeps food from drying-up

TwinTech® No Frost fridge-freezer protects flavours in every ingredient. Superior to standard total No Frost, advanced technology combines two cooling systems for fridge and freezer. Freezer is No Frost. Fridge humidity is kept optimal resulting in 60% less food mass loss and ingredients kept juicy.

### Ten-years peace of mind

Ten-year warranty on the Inverter Compressor provides maximum peace of mind. The warranty includes labour, transportation, gas removal and refilling, general maintenance, and service costs.

- For fully integrated, slide door installation
