

Your perfect cooking partner

Induction helps you master any cooking technique faster. It heats quicker than other types of hob – it even boils water in under 90 seconds* – so you can get on with your cooking straight away. And the heat adjustments are so subtle that they help you produce the finest tastes and textures every time you cook.

Product Benefits & Features

Clean as you cook

Because the surface around the pans stays cool as you cook, you can get rid of spills as you go along. Nothing gets burnt on, and there's nowhere for dirt to hide. So it's easy to keep the hob area looking pristine – even while you're still cooking.

- Hob type: Induction
- Frameless hob
- Touch-control
- Controls position: Front Right
- Illuminated controls
- Induction zones with power booster function
- Pot detection
- Left front zone: Induction, 2300/3200W/210mm
- Left rear zone: Induction, 1800/2800W/180mm
- Middle front zone: No, 0W/0mm
- Middle rear zone: No, 0W/0mm
- Right front zone: Induction, 1400/2500W/145mm
- Right rear zone: Induction, 1800/2800W/180mm
- Automatic fast heating up
- Key-lock function
- Child safety lock function
- Acoustic signal with switch off option
- Count up timer
- Timer function
- OptiHeat Control
- Residual heating indicator:
- Easy installation thanks to snap-in system
- Main colour: Black
- Touch Controls

Direct Access. Instant and effortless.

Enjoy effortless heat adjustments with Direct Access. Instead of tapping several times to increase the heat, you can now tap the number directly for the right amount of heat. Instantly.

The hands-free hood

The Hob2Hood function connects the hob and the hood. The cooker hood automatically adjusts the fan speed based on the heat, without lifting a finger. For powerful extraction when searing. And quieter extraction when simmering.

Quicker heat for extra speed

No more waiting around for pots to boil. The PowerBoost button gives you an instant burst of heat that boils water in under 90 seconds* – that's even faster than an electric kettle. It's perfect for tasks like boiling potatoes, and other quick cooking jobs too, like searing meat.

Product Specification

Product Installation	Built_In	Depth cutting	490
Product Typology	Electric_Hob	Radius cutting	5
Product Classification	Performance	Fastening	Snap in System
Installation	Independent	Gas original	No
Size	60	Gas replacement 2	No
Hob type	Induction Full	Gas replacement 3	No
Design family	AEG Vision	Gas category	No
Main colour	Black	Frequency	50-60
Control Panel material	No	Voltage	220-240
Frame type	Frameless Square	Required fuse (A)	No
Frame material	No		
Knobs colour	No		
Top Control Place	Front Right		
Type of controls	Electronic, Falcon		
Control function	3 step residual heat, Acoustic signal, Automatic heating-up, Booster, Child-lock, Count up timer, Hob-hood connection, Key-lock function, Minute minder, Pause, Residual temp. indication, Sound off
