

150 Wine Rack Unit Assembly

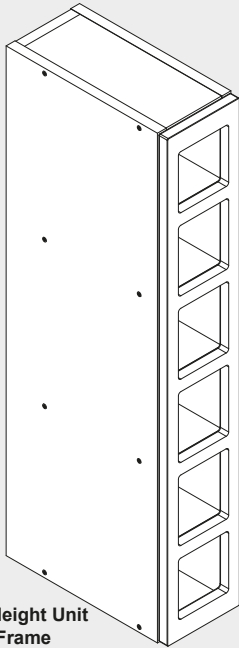

Standard Height Unit

Standard Height Unit with Frame

Tall Height Unit

Tall Height Unit with Frame

Important Information

Caution: Some pieces of hardware could be hazardous to small children. Keep all these items out of reach and do not leave children unattended in the assembly area.

Please read these instructions carefully before proceeding. Refer to the Guide to Receiving and Installing your Kitchen booklet for further information.

Note: Due to variation in wall conditions no screws are supplied for fixing the units to the wall. If in doubt consult an expert. Assemble the unit on a clean solid work surface.

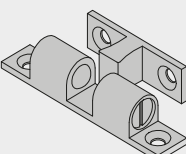

In the interest of continuing improvements we reserve the right to amend or adjust the specifications without prior notice. Errors and omissions excepted.

Every effort has been made to ensure that this product leaves the factory in perfect condition. In the unlikely event that an item is damaged or incorrect, please contact the customer services department.

10 With Frame

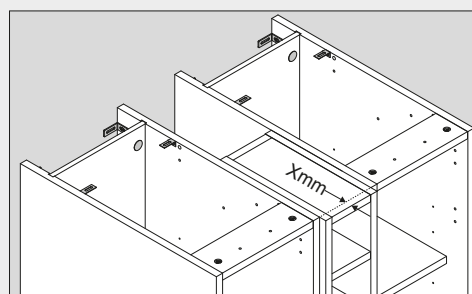

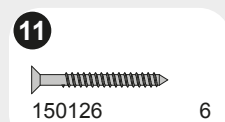

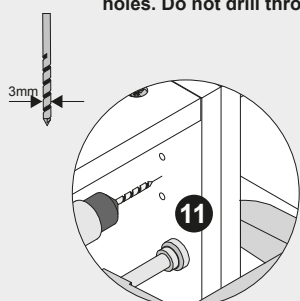

Note: Do not over tighten screws or use a power screwdriver.

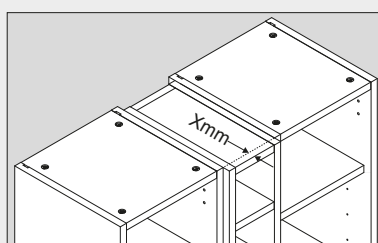

11 Installation Instructions

Note: Wine racks are fitted between two other units. Drill 30mm deep pilot holes. Do not drill through both units.

Note: If no frame is being fitted, alternatively fit forward by the thickness of the door (Xmm) for an in line finish.
