Product overview

The Kuto mirror is designed to be the focal point of any contemporary bathroom, offering a perfect balance of style and innovation. Its sleek floating-edge design exudes sophistication, while the integrated lighting creates an unparalleled, ambient glow that transforms the space.

The integrated touch sensor allows you to power the mirror on or off, adjust the LED brightness, and cycle through three distinct lighting temperatures. With TrioTone™ technology, you can select from a warm 2700K glow, a balanced 4000K neutral tone, or a crisp 6000K daylight setting, each designed to create a tailored ambiance for any moment..

Additionally, the built-in demister pad ensures that the mirror remains crystal clear, even in the steamiest of environments, eliminating fog and condensation.

With its combination of modern design and advanced functionality, the Aspect mirror elevates both the style and experience of your bathroom.

Benefits

- Designer features at a competitive price point
- Modern black finish giving a more seamless integration with bathrooms with black accessories
- LED Technology for long life
- Trio tone WW-NW-CW

Key Features

- Touch Sensor allow on/off control and LED Dimming
- Integrated demisted pad
- Floating LED border
- Diffused LED's

Technical Specification

Voltage	240V
Wattage	Ø600mm = 33W 500 x 700mm = 48W
Number of LED's	Ø600mm = 279 500 x 700mm = 393
Color Temperature	2700-4000-6000K
Dimmable	Yes
Operating Temperature	5°C to 45°C
Cable Length	1M

Order Codes

Product	Order Code	Barcode
Kuto - 600mm – Black	SE30098C0	5060522084693
Kuto - 500x700mm - Black	SE30198C0	5060522084884

Mechanical Specification

Dimensions (mm) (HxWxD)	Weight (Kg)	IP Rating
Ø600 x 65	4.8	IP44
500 x 700 x 65	5.7	IP44
