

Product overview

The Zeta is a stylish and compact spotlight with a high light output, making it a great solution for task lighting underneath cabinets and shelves.

The colour temperature of the lamp is 4000 kelvin, which emulates natural light to compliment both modern and traditional kitchen styles.

For ease of installation the lamp has a quick connect port at the back, enabling the driver lead to plug-in directly, and the lamp can be recessed or surface mounted depending on the users preference.

Benefits

- Ideal for installation under cabinets, inside cabinets and under shelves
- LED Technology for long life
- Energy Saving (good Lumens per watt ratio)

Key Features

- Good efficiency
- Sleek Appearance
- Diffused light (no visible dots)
- Fitting supplied with collar for surface mounting
- Plug and Play (quick release connector)
- Kit supplied with a pre-wired, 13A 3pin plug and driver

Technical Specification

Power	1.9w
Voltage	24v
Light Output	180lm
Colour Temperature	4000K
Lumens per Watt	94.7
Operating Temperature	5°C to 45°C
Cable Length	2.5m
Quick Connect	Yes

Mechanical Specification

Product	Dimensions (mm)	Weight (grams)	IP Rating
Zeta	Ø65 x 11 (D)	74	IP20
