

### Benefits

- Ideal for installation under cabinets, inside cabinets and under shelves
- LED Technology for long life
- Energy Saving (good Lumens per watt ratio)

### Key Features

- Stylish, stainless steel triangular design
- Fully diffused (no visible dots)
- Easy to install (plug and play technology)
- Kit supplied with a pre-wired, 13A 3pin plug and driver

### Product overview

The Treos is a modern take on a Sensio classic, featuring sleek and modern geometry as well as being made from high quality stainless Steel.

The colour temperature of the lamp is 4000 kelvin, which emulates natural light to compliment both modern and traditional kitchen styles.

To promote ease of installation, the fitting comes with a quick connect that fits in the rear of the luminaire. This allows for the quick disconnect of the light, without having to trace the cable back to the LED Driver.

### Mechanical Specification

Product	Dimension (mm) L x W x D	Weight (grams)	IP Rating
Treos	148 x 139 x 20.6	124	20

### Technical Specification

Power	1.9w
Voltage	24v
Light Output	180lm
Colour Temperature	4000K
Lumens per Watt	94.7
Operating Temperature	5°C to 45°C
Cable Length	2.5m
Quick Connect	Yes
