

### Product overview

The Dart LED flexible strip is a versatile solution that can be utilised throughout the kitchen to enrich any design.

Install under wall cabinets to inject task lighting, or above cabinets and along plinth boards to add depth with ambient lighting.

Attributes such as cut marks every 100mm and 3M VHB tape (very high bond) make the product simple and easy to install, and the natural white colour temperature has been carefully selected to compliment a wide variety of kitchen colour schemes.

### Mechanical Specification

Product	Dimension (mm) L x W x D	Weight (Grams)	IP Rating
SE10355N0	500 x 8 x 1.75	50	IP20

### Benefits

- LED Technology for long life
- Energy Saving ( Good Lumens per watt ratio)
- Easy to install
- Ideal for any Kitchen Design

### Key Features

- Dimmable.
- Self Adhesive
- Compatible with Sensio Dimmable receiver.
- High Lumens per Watts
- Available in Warm and Cool White

### Technical Specification

Power	3.6 W/m
Voltage	24 V
Light Output	110 lm/W
Color Temperature	4000 K
Cut Marks	Every 100mm
Beam Angle	120°
Number of LED per m	60
Operating Temperature	5°C to 45°C

### Order Codes
