

Precise power levels. Perfect results

The advanced technology of the StepPower Gas Hob allows you to easily set the hob's flame controls between levels 1 through 9, so you can deliver exact and consistent heat to pots and pans, without having to bend down to see the flame.

Product Benefits & Features

StepPower. For precise heat

Experience precision on the hob with StepPower controls. And produce consistently delicious dishes. The heat can be set at levels 1 to 9, with each ascending increment offering more power. Because exact settings mean outstanding results.

- Gas on glass hob
- Steel capped control knobs
- Rotary controls

Speed Burners - accurate heat for faster performance

The design of the Speed Burners in this AEG gas hob allows for the flames to directly target the bottom of the pan, providing quicker heat and greater efficiency. These high-speed burners get you cooking up to 20% faster.

Get powerful heat, with the Powerful Wok

Experience fuller flavour in your favourite dishes with this Powerful Wok. It generates intense, direct heat – ideal for searing seafood and locking in mouth-watering stir-fry flavours. Wok cooking mastered.

Add a premium look to your hob, with Cast Iron Grid pan supports

Add a professional look to your kitchen with durable and premium cast iron pan supports. Continuous cast iron pan supports let you slide your cookware easily and safely without having to lift them for a seamless cooking experience

Integrated Ignition - quick access to powerful heat for cooking

With Integrated Ignition, all you have to do is gently turn and press the knob, to effortlessly and comfortably spark a flame from the hob.
