

Command water. At a touch

There are more exciting things to do than watching water boil. The 7000 SenseBoil® Induction Hob detects rising bubbles and automatically reduces to a low simmer. So the focus can be fine-tuning those flavours and mastering that menu.

Product Benefits & Features

Boiling water, under control with the Boil Sensor

The Boil Sensor detects rising bubbles and automatically adjusts the temperature settings, reducing it to a controlled simmer. No more monitoring. Saving both time and energy.

Combine 2 cooking zones with Bridge

The Bridge function combines two cooking zones together to fit any large or long pan. Sharing the same temperature and time setting, the linked zones are ideal when you're cooking for dinner parties or bigger celebrations.

Less steps and more control with Direct Touch Controls

The Direct Touch Controls user interface uses intuitive numbers 1-14 so you can set the right temperature right away without having to toggle through the plus and minus buttons.

Quicker heat for extra speed with PowerBoost

A blast of fast. No more waiting around for pots to boil. The PowerBoost function gives you an instant burst of heat. PowerBoost is perfect for tasks that require you to boil a large pot of water quickly.

Hob timer. Built for precision

The built in hob timer can be set up to one hour, and will automatically power the hob down when it elapses. For effortlessly precise results.

- Hob type: Induction
- Hob with bevelled frame
- Direct Control: sliding touch control technology
- Controls position: Front Right
- Illuminated controls
- Digital indications for each zone
- Induction zones with power booster function
- Pot detection
- Left front zone: Induction, 2300/3200W/210mm
- Left rear zone: Induction, 2300/3200W/210mm
- Middle front zone: Induction, 1400/2500W/145mm
- Middle rear zone: No, 0W/0mm
- Right front zone: No, 0W/0mm
- Right rear zone: Induction, 2300/3600W/240mm
- Automatic fast heating up
- Key-lock function
- Child safety lock function
- Acoustic signal with switch off option
- Count up timer
- Eco Timer
- Timer function
- OptiHeat Control
- Easy installation thanks to snap-in system
- Main colour: Black

Product Specification

Product Installation	Built_In	Built in height mm	44
Product Typology	Electric_Hob	Width cutting	750
Product Classification	Statement	Depth cutting	490
Installation	Independent	Radius cutting	5
Size	80	Fastening	Snap in System
Hob type	Induction Full	Gas original	No
Design family	AEG Vision	Gas replacement 2	No
Main colour	Black	Gas replacement 3	No
Control Panel material	No	Gas category	No
Frame type	Bevelled 4 Sides	Frequency	50-60
Frame material	No	Voltage	220-240/400V2N
Knobs colour	No	Cord length external	1.5
Top Control Place	Front Right		
Type of controls	Kite		
Control function	3 step residual heat, Acoustic signal, Automatic heating-up, Booster, Bridge function, Child-lock, Count up timer, Eco timer, Hob-hood connection, Key-lock function, Minute minder, SenseCook Boil, Sound off, Timer ref. 949 597 596, Flame Retardant Project
