Hob2Hood. The hands-free hood

Hob2Hood automatically controls your cooker hood's power level and lights while you concentrate on the key moments of getting your dish just right.

A powerful motor. For cleaner kitchen air

Whether you're pan-frying steak or searing salmon, our high-performance Motor means that the air in your kitchen stays fresh. Relax in the knowledge that your kitchen will always be a pleasant, inviting environment.

LEDlights for more refined cooking

Our LEDlights use far less energy than other lights, with a much longer life expectancy. And they provide expert illumination for greater detail while cooking.

Maximum filtration, again and again

A highly functioning filter that captures and removes fats and odours when cooking. The removable filter can be cleaned in the dishwasher, ensuring that your cooker hood is continually efficient.
