

Oven and microwave combo, for quick results

Merge the power of True Fan Cooking and speed of the microwave with the Series 60 CookQuick Oven. You can easily create delicious results in up to half the time.

Product Benefits & Features

Microwave and grill work together, with Fast Cooking

Combine the crispy finish of the grill, with the speed and cooking efficiency of the microwave with the Fast Cooking function. Quick, perfectly cooked results, made easy.

40% quicker warming, with Fast heat-up

Get your meal cooking sooner with the Fast heat-up function. Warming the oven 40% quicker than the standard.

Assisted cooking programs and LED Display make cooking more fun.

Now you can pay more attention to friends and family while you cook. Easy-to-read 2-colour LED display makes it simple to use assisted cooking functions while viewing the time, temperature and progress of your cooking,

Convection oven, for Even Cooking

The hot air generated inside the oven during cooking is moved around with a fan, so all your dishes receive the same amount of heat. This lets the oven heat up faster, which means you'll get the same results using 20% lower temperatures, saving time and using less energy.

Built in grill function

Crisp bacon, sizzle sausages, or finish the cheese on a delicious lasagne, with the grill function. Place your ingredients on a rack near the top of the oven, and expect delicious results.

- Compact built-in oven
- Oven with integrated microwave function
- Microwave power: 1000 Watt
- Oven cooking functions: Bottom heat, Conventional cooking + Microwave, Conventional/Traditional cooking, Defrost + Microwave, Frozen foods, Grill + Microwave, Grilling, Microwave, Pizza setting, Reheat + Microwave, True fan cooking, True fan cooking + Microwave, Turbo grilling, Turbo grilling + Microwave
- Oven cavity with 2 baking levels
- Fast oven heat up function
- Automatic temperature proposal
- Electronic temperature regulation
- Electronic Child Lock safety function
- Residual heat indication
- Automatic safety switch off oven function
- Retractable knobs
- Electronic oven functions overview: 45 variety of pre-set cooking programmes "Assist", Acoustic signal, Alarm/error tones, Automatic safety switch off only oven, Buzzer volume adjustable, Child lock (in off mode), Cooking with Duration, Cooking with End Time and Duration, Count up timer, Delayed start (Time delay), Demo mode with code, Display Brightness adjustable (ON status), Door switch for light, Electronic temperature regulation, Fast heat up selectable, Function lock (in running mode), Key tones menu with deactivation, Menu non-connected, Minute minder, Oven light on/off selectable (menu + direct access button), Real temperature indication (°C), Residual heat indication, Service info, Temperature proposal, Time of day
