

Gas and induction cooking options right at your fingertips

There's no need to choose between gas and induction heating anymore! This hob gives you the benefits of both, with gas as well as induction cooking zones.

Product Benefits & Features

Your perfect cooking partner

Induction helps you master any cooking technique faster. It heats quicker than other types of hob – it even boils water in under 90 seconds* – so you can get on with your cooking straight away. And the heat adjustments are so subtle that they help you produce the finest tastes and textures every
