

# DECLARATION OF PERFORMANCE

According to EU Regulation No 305/2011.

No. 202302

| Product Description                    | Product Code       | Colour  | Length  |
|----------------------------------------|--------------------|---------|---------|
| Open V Cladding                        | FV100              | various | various |
| Shiplap Cladding                       | FC150              | various | various |
|                                        | FC151              | various | various |
| Weatherboard Cladding                  | FCF170             | various | various |
|                                        | FCZ170             | various | various |
|                                        | FCG182             | various | various |
|                                        | FC2182             | various | various |
| Flat Cladding                          | FCV150             | various | various |
|                                        | FCP250, FCZ250C    | various | various |
| Shiplap Double Plank Cladding          | FCD300             | various | various |
|                                        | FCD333             | various | various |
| Embossed Shiplap Cladding              | FC150E             | various | various |
|                                        | FC151E             | various | various |
|                                        | FC151DE            | various | various |
| Embossed Weatherboard Cladding         | FCF170E            | various | various |
|                                        | FCZ170E            | various | various |
|                                        | FCG182E            | various | various |
|                                        | FCZ182PEC          | various | various |
| Render Finish Flat Cladding            | FCV150E            | various | various |
|                                        | FCP250E, FCZ250CEC | various | various |
| Embossed Shiplap Double Plank Cladding | FCD300E            | various | various |
|                                        | FCD333E            | various | various |

Colours: French Grey, Storm Grey, Argyle Brown, Colonial Blue, Enviro Green, Slate Grey, Cappuchino, Quartz Grey, Sage Green, Anthracite Grey, Stone.

- FV100, FC150, FC151, FCF170, FCZ170, FCG182, FC2182, FCV150, FCP250, FCZ250C, FCD300, FCD333, FC150E, FC151E, FC151DE, FCF170E, FCZ170E, FCG182E, FCZ182PEC, FCV150E, FCP250E, FCZ250CEC, FCD300E, FCD333E. (Various colours/lengths).
- ASA trims and Fortex cladding profiles made of PVC cellular foam core with ASA skin layer for external wall finishes.
- Freefoam Plastics Limited, Central Commercial Park, Centre Park Road, Cork, Ireland.
- System of assessment and verification of constancy of performance: 3
- Declared Performance:

| Parameter                       | Performance                   | Harmonised European Standard |
|---------------------------------|-------------------------------|------------------------------|
| Reaction to fire                | E                             |                              |
| Release of dangerous substances | NPD                           |                              |
| Mechanical Resistance           | (23,06)                       | EN 13245:2008                |
| Resistance to fixings           | See installation instructions |                              |
| Durability                      | (A, 5000, 60)                 |                              |

- The performance of the product identified in point 1 and 2 is in conformity with the declared performance in point 6. This declaration of performance is issued under the sole responsibility of the manufacture identified in point 4.
