PEFU3	EACH	Blue	60-80mm x 2m	40	240
PEFU4	EACH	Blue	80-100mm x 2m	32	192

Proguard U-profile Hand Rail Protectors are manufactured from a hard-wearing foam, and absorb impact (unlike rigid alternatives such as plastic and card)

The self-gripping u-profile tubes is shaped to clip directly onto the handrail without the need for additional fixing. This product can be left in place for the duration of the construction or refurbishment project.

Proguard Hand Rail Protectors are extremely hard wearing and can be reused numerous times making it a cost-effective and sustainable temporary door protection solution.

Benefits:

- Available in a range of sizes to fit handrails from 35mm – 100mm
- Lightweight and versatile
- Impact and scratch resistant
- Simple to fit and remove
- Self-gripping – no fixing required
- Can be cut to size with a knife

Limitations:

- Not fire-retardant

Application:

Use the foam handrail protector within which the size of handrail falls. Simply clip directly onto the handrail and use *Proguard Low Tack Tape* to fix only if necessary.

Performance Data:

Density	33kg/m ³
Tensile Strength	0.5N/mm ²
Elongation at Rupture	140%
Water Absorption	
24hr	1.35
28 days	< 3
Temperature Resistance	-30/+70
