

Water Hawk Jointing Compound 400g 61023

- Pipe jointing compound for use with hot and cold potable water
- WRAS – Approved Product
- Non-toxic and environmentally friendly
- Easy and effective to use

Water Hawk is a pipe jointing compound designed for use with hot and cold potable water. It is suitable for potable water, Natural Gas, steam, air (excluding medical lines) brine, alcohol and L.P. Gas. It is ideal for use on pipe diameters up to 25mm and with reinforcement fibre on pipework over 25mm. The non-toxic formulation is also WRAS approved.

Application

Water Hawk is a pipe jointing compound for all jointing applications but is uniquely designed for use with potable water. It is suitable for potable water, Natural Gas, steam, air (excluding medical lines), brine, alcohol and also L.P. Gas. Water hawk is manufactured from a unique silicone compound, to ensure it does not support microbiological growth. Water Hawk complies with BS EN 751-2 Class A, when used in conjunction with an approved reinforcing fibre, or as a sealing material for metallic threaded joints in contact with 1st, 2nd and 3rd family gases to 5 bar and 70°C and water up to 7 bar and 130°C. It may be used alone on pipe diameters up to 25 mm and is used with reinforcement fibre on pipework over 25 mm. Note that no British Standard exists for testing jointing compounds on pipes in excess of 50 mm diameter.

Specification

Colour: White-straw
Form: Thick paste
Odour: None
pH: N/A
SG: 2.0

Package, Handling & Safety

Water Hawk is supplied in 400g tins and 200g tubs.

Water Hawk is classified as non-toxic, but for further information please consult the Safety Data Sheet (SDS).

Single Item

Height mm	74
Width mm	71
Depth mm	71
Weight kg	0.400
Barcode EAN	5014551101296

Outer Carton

Outer Height mm	158
Outer Width mm	340
Outer Depth mm	240
Outer Weight kg	8.520
OCU Barcode	05014551101302
Transit Type	CP1 1200 x 1000
Units per carton	18
Cartons per layer	17
Total units per transit layer	306
Layers per transit type	5
Total units per transit type	1530
