

Showcase your wine. With style

8000 Perfect Shelving showcases your wine collection with extendable, premium wood shelving. Designed with optimal spacing to accommodate all main 750ml bottles, including your favourite Champagne, without scratching their labels.

Product Benefits & Features

Showcase your collection. With Perfect Shelving

You've built an exemplary wine collection. So, accentuate it with Perfect Shelving. Showcase your collection with shelving designed with ideal spacing to accommodate all main 750ml bottles, including Champagne, without scratching the labels.

Trust the temperature. With Single-Zone Pro

The Single-Zone Pro wine cabinet can be set at any temperature between 5–20°C for serving or kept between 12–14°C, the perfect temperature for cellaring all your wines.

Keep wine at its finest with Cellar Pro 5 Fundamentals

We make sure your wine quality is perfectly protected thanks to the Cellar Pro 5 Fundamentals: temperature stability, high humidity, UV-free dark storage area, quality airflow and no vibrations.

Pair your appliances with the perfect Wine Cellar

Install modular flexibility in a high-performance Wine Cellar that perfectly integrates with the design of your other appliances while keeping your wines in perfect condition.

Top LED Illumination. To see your collection properly

Premium lighting for your wines with Top LED Illumination. Your entire collection in the clear.
