

Vistalux / Corolux Warranty

Ariel Plastics Ltd issues the following warranty for Vistalux & Corolux corrugated and flat PVC sheet as outlined in paragraph A, subject to the limitations and exclusions listed herein.

A. Light Transmission

A 10 year warranty for clear material relating to the following properties.

For a period of 10 years the light transmission in Northern Europe measured in accordance with ASTM D 1925-77 shall decrease by no more than 20% of the original value.

General Conditions

1. This warranty applies only in Northern Europe being defined as North of a latitude of 47°
2. The commencement date of this warranty is the date of the original purchase and remains valid to the original purchaser only. Claimants must provide a receipt indicating the proof of purchase date.
3. Any other claims for damage or loss, either direct in indirect, or consequential whatever the cause thereof, are expressly excluded from this warranty.
4. The warranty remains valid only if the sheet has been correctly stored, handled, installed and cleaned as recommended by Ariel Plastics.
5. Ariel Plastics Ltd, or its authorised agent, must be notified of any claim immediately and not later than 28 days after the alleged failure. The claimant must allow an inspection of the installation site prior to removal of the sheets from their original position. In addition, Ariel Plastics Ltd reserves the right to investigate independently the circumstances of the failure, including checks with the local meteorological survey and others.
Samples of the sheet must be provided for testing if requested by Ariel Plastics Ltd.

Limitations and Exclusions

6. This warranty applies only to sheets which have been maintained in a scratch-free condition and have not been in contact with chemicals, paints, adhesives or other incompatible materials.
7. This warranty is not valid for sheets which have been thermo-formed or altered from their original profile and state.
8. For the warranty to remain valid, the sheets must be installed in accordance with the manufacturer's recommendations and these include:
 - i. span and loading details;
 - ii. full adherence to fixing recommendations with the avoidance of over-tightening screws;
 - iii. sheets must be stored under opaque cover at all times before installation;
 - iv. cutting, drilling and handling as advised by Ariel Plastics;
 - v. specific details given for curved installations;
 - vi. all other information contained in labels and publications relating to Vistalux/Corolux flat and corrugated sheet.
9. In the event of an agreed warranty claim, Ariel Plastics Ltd reserves the right to replace the affected sheets free of charge or issue a refund to the purchaser for the original purchase price of the affected sheets. Installation costs are expressly excluded from this warranty.
10. This issue supersedes all previous warranties given or implied by Ariel Plastics Ltd for this product.
