III. Instructions & Note

-Instructions-

STEP 1

Open the latch at the bottom of the cutter and insert the tube.

STEPS

STEP 2

Press the handle with one hand to make the blade grip the tube, and rotate the tube 2 - 3 times with the other hand. Then continue to press the handle to cut; repeat these steps until the tube is cut through.

Note: Make sure that the tube is tightly gripped every time the handle is pressed.
