

HIPPOBAG

Select from three available sizes of strong, sturdy (and very yellow) HIPPOBAGS, fill with waste, book a collection and our fantastic service - rated as 'Excellent' on Trustpilot - will handle the rest...

- Order a bag online at wickes.co.uk or in store - HIPPOBAGS are flat-packed and can easily be stored or shipped ready for use when needed – providing a flexible and instant waste solution whenever you need it
- Able to fit where traditional skips cannot, HIPPOBAGS can be placed in confined locations with restricted access and lifted over fences and walls as required, with our specialist vehicles
- Once filled, arrange collection; fuss free, through our dedicated Contact Centre, via phone or email. We're continuously developing new ways to book collections, using the latest innovative technology available
- Experience convenient and cost effective collection from our fully trained, uniformed and DBS checked drivers and fleet of purpose built 26 tonne vehicles. HIPPO collects from anywhere in the UK mainland – ensuring a consistent service

WHY USE HIPPOBAG?

- ✓ We'll take it away whether you're in or out – you can wave to our drivers from your window!
- ✓ Tackle DIY projects from small to large, knowing there's a HIPPOBAG for you
- ✓ We're happy to take your heavy waste in all our HIPPOBAGS
- ✓ Use the HIPPOBAG when you're ready – it's easy to store until then
- ✓ All waste collected is taken to a regulated and authorised waste transfer station – and over 95% is diverted from landfill
